SEEDS AND BULBS

GREENWOOD, SOUTH CAROLINA

Dear Friends:

We cannot send our fall catalogue to you without a friendly chat extending to you our sincere wish for your success and happiness in your gardens. What joy the word garden expresses! A spot where our health of body, mind and spirit is invigorated and renewed by the effort and interest expended, by the miracles of beauty which surround us and by the calmness and peace which comes to us from its quiet charm pushing out the cares of the world as the "evening shadows steal across the sky".

In preparing this supplementary fall book, we have taken pleasure in selecting the best stock in each class. Park's bulbs and roots are the best to be had. Quality first is ever our motto. Our bulbs are clean, healthy and vigorous, true to name, sure to please. Should a package reach you in a damaged condition or should an error occur in filling your order, prompt notification will bring cheerful correction.

Prices are the lowest that we can make them. We shall be happy to have your orders which shall receive our best attention.

Order promptly while our stock is complete. Please, however, name a few substitutes in case of shortage.

Sincerely yours,

Geo. W. Park Seed Co.

P. S. Take notice of our splendid offering of seeds for fall sowing. All packets 5 cts.

Harbingers of Spring

Plant in Fall

Among the earliest to bloom, often seen before the snow is gone, are the choice bulbous plants listed below. Choose for low drifts, small groups, borders and the rockery. All perfectly hardy and easily grown.

ERANTHIS Hyemalis, Winter Aconite. These fine and lovely little yellow buttercup-like flowers rising from among the green leaves are thrifty, hardy and will do well in shade or sun. Once established, they seed themselves readily and form a fine mass of bloom. Plant promptly, 2 inches deep, as soon as received, and you will have flowers at the same period as your Snowdrops and two weeks before the Crocus bloom. 3 for 10c; 12 for 35c; 100 for \$2.50.

CHIONODOXA, Glory of the Snow. One of the loveliest of our very early spring flowers. The bulbs are native to Asia Minor, but do well in our gardens. The brilliant blue flowers, touched with contrasting white center, are delightful around the shrubbery or evergreens and in naturalized groups. Blooms during Crocus time. Plant 2 inches deep and 2 inches apart.

3 for 10c; 12 for 30c; 25 for 50c.

GALANTHUS Nivalis, Snowdrop. A planting of these small bulbs will furnish a life-time of the earliest and most delightful of tiny drooping bell shaped white flowers delicately touched with green. 12 for 40c; 100 for \$2.75.

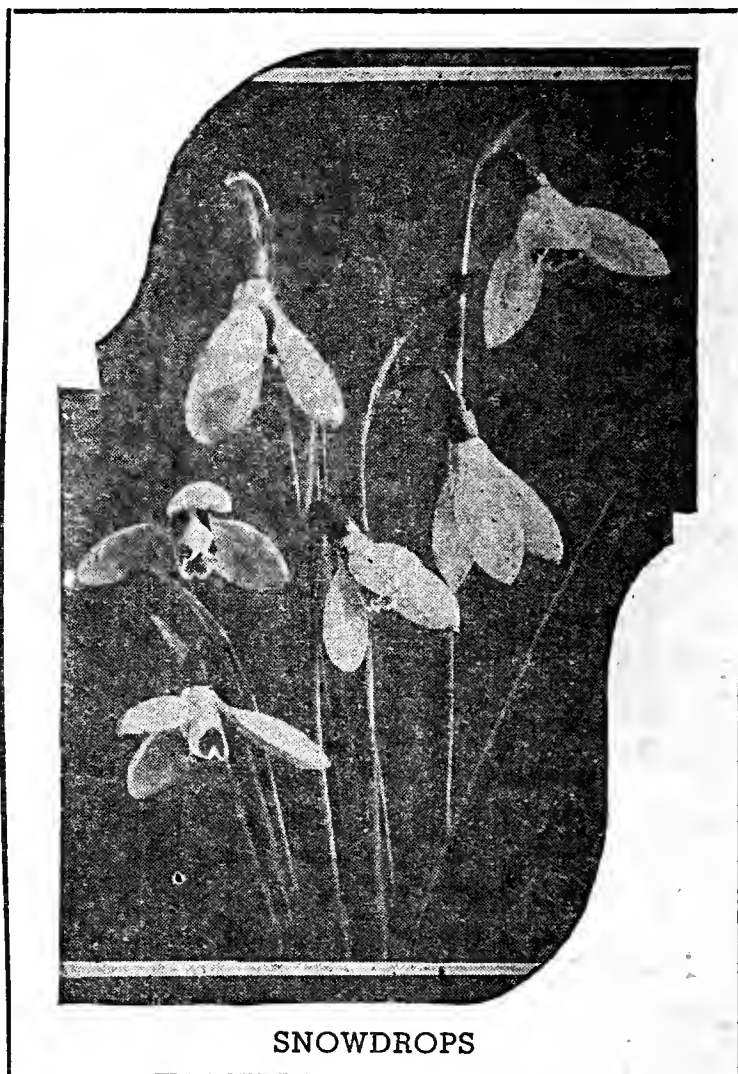

SCILLA Campanulata. Hardy, of easiest culture and rapid increase. Set bulbs 3 to 4 inches deep in good rich soil in semi shady location.

Coerulea. Lovely blue. Each 5c; 12 for 45c.

Rose Queen. Fine pink. Each 5c; 12 for 45c.

SCILLA Sibirica, Siberian Squill. Early blooming intense blue drooping bells, one to three on slender 4 inch stalks above grass-like foliage. Very lovely accompanying Snowdrops.

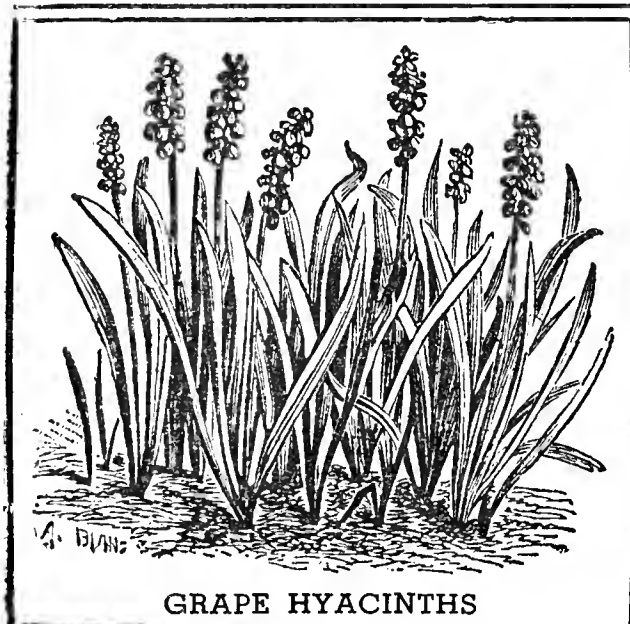

Each 5c; 12 for 40c; 100 for \$2.75.

SNOWDROPS

Special Collection- 25 Bulbs (5 of each) 65c.

5 *Erantis Hyemalis*. 5 *Galanthus Nivalis*. 5 *Scilla Campanulata*. 5 *Chionodoxa*.
5 Crocus [your choice of color.]

GRAPE HYACINTHS

GRAPE HYACINTH, Muscari. Charming 6 inch spikes of tiny blue or white bells with grassy foliage. Plant 3 inches deep and 3 inches apart. Excellent set with *Clusiana Tulips* in the rockery.

Heavenly Blue - - - - - Dozen 25c.

White - - - - - Each 5c; Dozen 45c.

CROWN IMPERIAL (*Fritillaria Imperialis*). The finest of this bulbous group, commonly known as "Crown Imperial", so magnificent is the display. The 3 to 4 feet stems bear a crown of strap leaves at the summit with drooping yellow, orange or crimson bells tightly grouped underneath. Very handsome and impressive. Give plenty of room and deep planting in rich soil.

Each 35c; - - 3 for \$1.00; - - 12 for \$3.2'

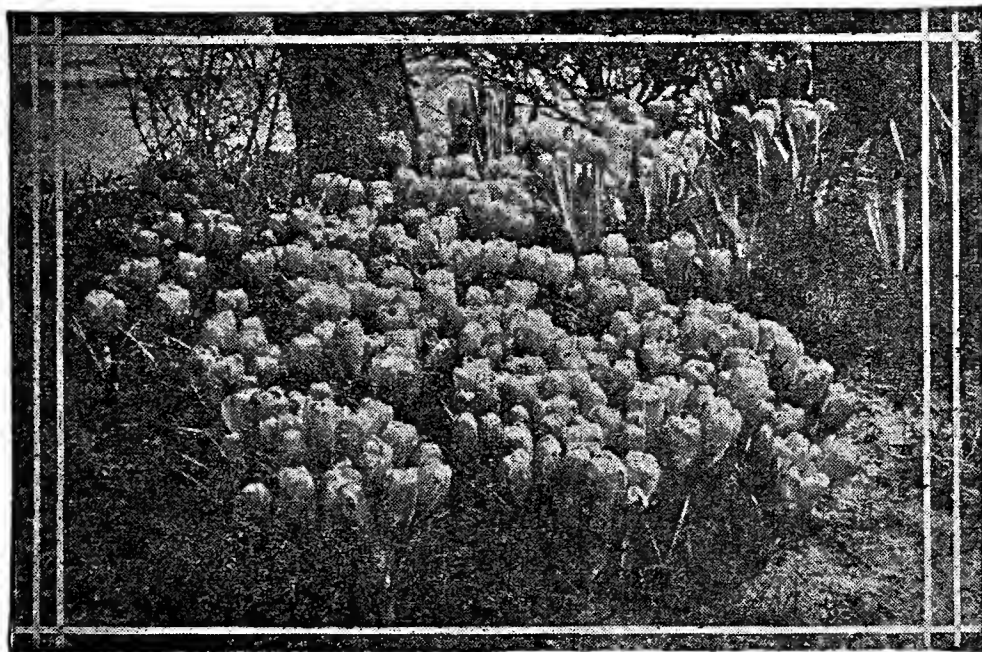

FRITILLARIA Meleagris (Snakes Head)

Small plants with pendent bell-shaped blooms in colors of bronze, purple and white, checkered with contrasting markings. Interesting and attractive. 3 for 15c; - - 12 for 45c.

: Crocus :

Early Spring Bloomers

Because of their earliness, hardiness, ease of culture and bright colors, Crocuses are deservedly popular. Plant in groups, borders, or among the grass in light well drained soil 3 inches deep and 3 inches apart. If left undisturbed, they will thrive and increase for years, needing to be replanted only when they become too crowded. Plant not later than November and give slight protection in severe climates. We offer fine bulbs in four choice colors: yellow, blue, white, striped. 3 Bulbs 10c; 12 Bulbs 25c: 100 Bulbs \$1.70

CROCUS

FRITILLARIA
(Snakes Head)

GUERNSEY LILY

(Nerine Sarniensis)

A handsome Autumn-flowering bulb. The bulb makes its growth during the winter and is dormant through the summer. The rosy-red flowers are interesting and artistic, appearing upon tall stems followed by grass-like foliage which remains green all winter. Treat as pot plant North. Hardy out of doors from Virginia South.

Each 20c: 3 for 50c.

The Blackberry Lily (Pardanthus Sinensis)

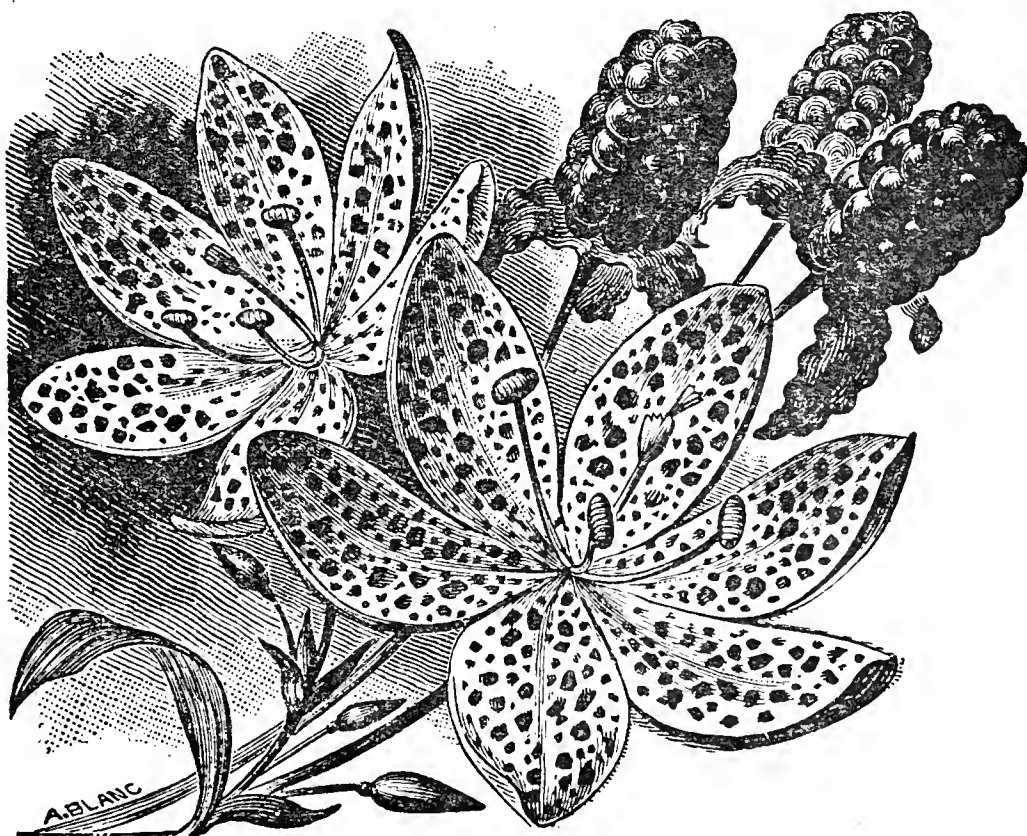

A plant to please. Iris-like leaves with tall stems bearing two-inch showy flowers of orange and crimson; followed by ornamental black seed clusters, from which it gets the name.

A strong growing perennial which thrives in a rich sandy soil in an open border or in semi woodland shade.

The roots are perfectly hardy, grow under adverse conditions and give flowers of unique and exotic beauty. Plant in fall or early spring. A group among the shrubbery will lend an attractive note of color. Roots each

25c; 3 for 65c. Seeds

5c per packet.

● TULIPS OF QUALITY ●

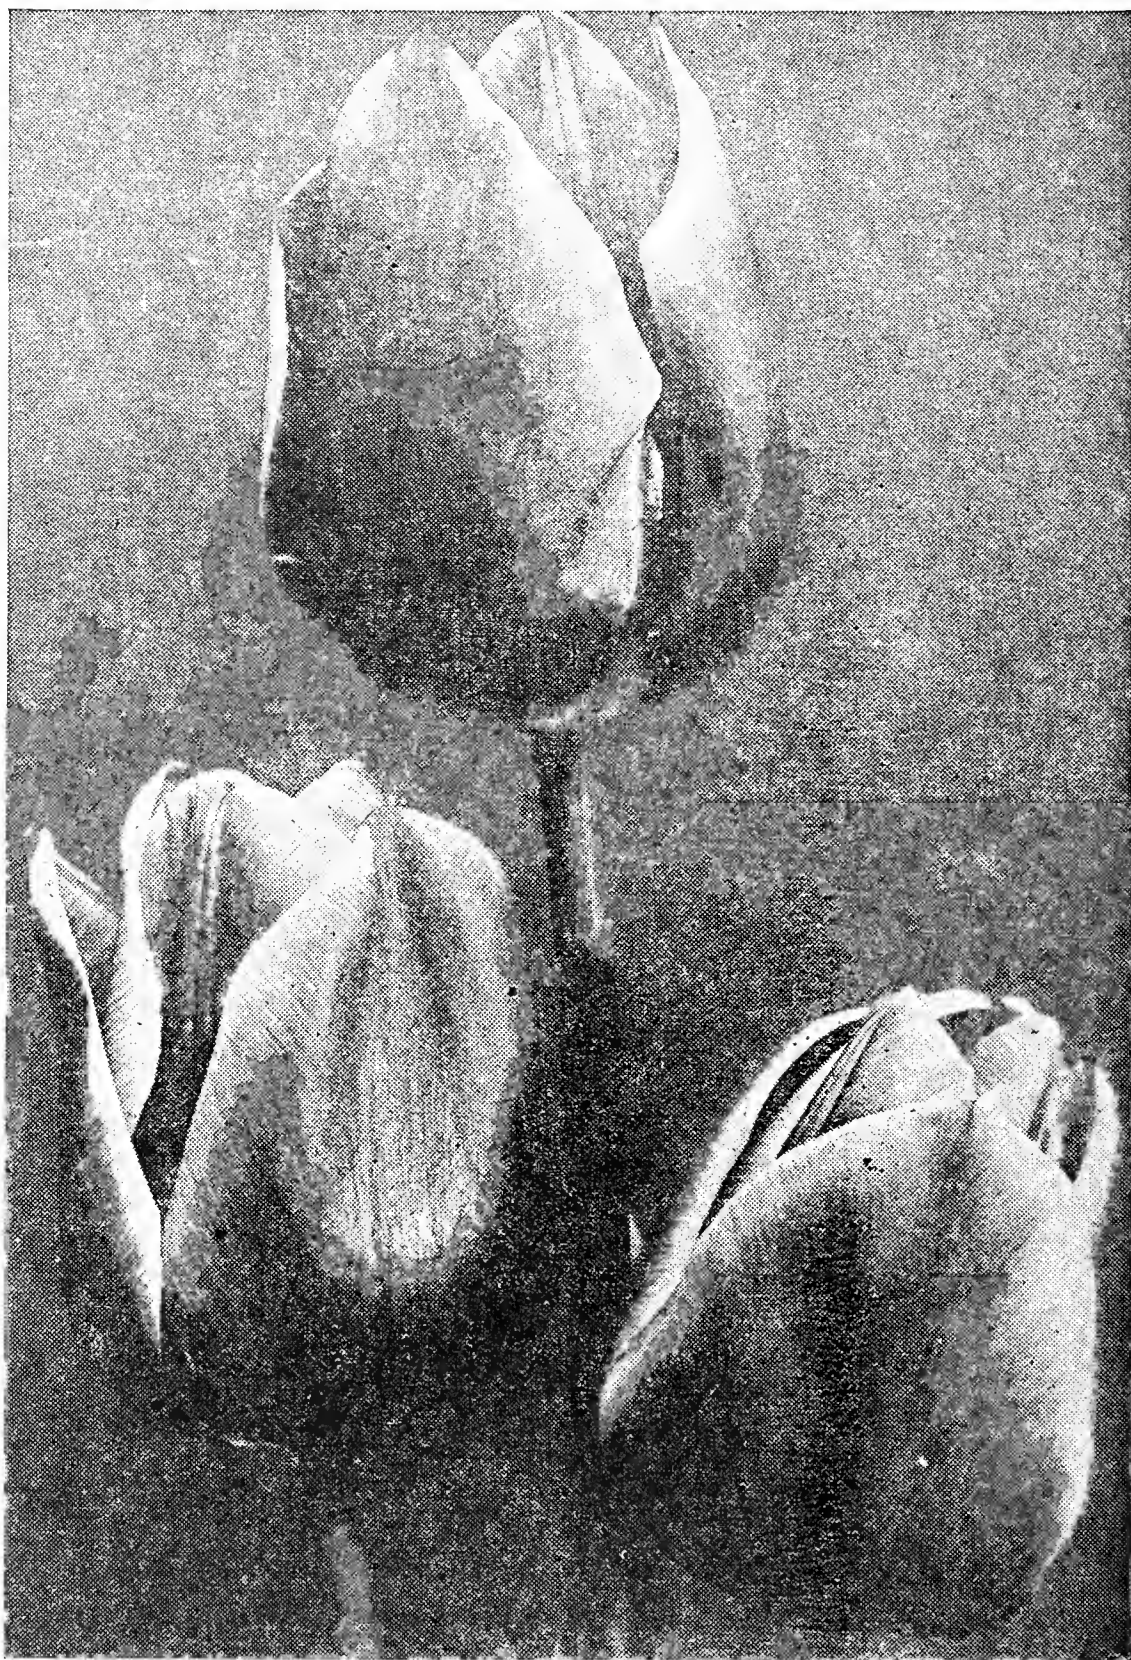

General Cultural Directions for Tulips

POTS FOR WINTER WINDOW BLOOMS: Set 4 to 6 bulbs in 6 inch pots, saturate with water, set in cold-frame or bury outside, covering with coal ashes. After about 6 weeks, the pots may be brought into a cool room and later to a warm sunny window for bringing into flower. Succession of blooms may be enjoyed by bringing in a pot every ten days or two weeks. Varieties marked x will do well in pots, if desired; however, Tulips are in their glory set in beds.

BEDDING: Select a well-drained location with good soil, prepare bed thoroughly, adding well-rotted compost, if possible. Set bulbs 6 inches deep 6 inches apart. After the ground freezes over, give a very light covering of litter, straw or compost if climate is severe, this should be removed in early spring.

NOTE: The attraction of a Tulip bed may be enhanced by the use of low-growing flowers to bloom at the same time, such as Violas, Nemophila, Silene Pink Star and California Poppies, or by bordering the beds with Alyssum, Candytuft, Portulaca, etc. Tulips always present a fine display against a background of shrubbery. ●

MAMMOTH DARWIN TULIPS

Mammoth Darwin Tulips (2 to 2½ ft.)

---: Choicest Varieties :---

Perfect Cut Flower-- Long stout stems, many brilliant colors, long-keeping qualities. Splendid for group planting and perennial borders. No garden is complete without Tulips.

Afterglow, 26 in. Graceful and striking Tulip of soft apricot-orange with pink glow, edged with tan. The color is enhanced by a ground-cover having blue flowers, as *Nemophila Crambeoides*. 3 for 20c; 12 for 65c; 100 for \$3.90.

x **City of Harlem, 27 in.** One of the most handsome, largest, and brilliant of Tulips. Fiery dark red, the violet base with contrasting halo of white making a striking effect. Alyssum Primrose Queen, when sown in these Tulips, brings out high lights of color. 3 for 25c; 12 for 80c; 100 for \$6.00.

x **Clara Butt, 21 in.** Beautifully shaped flower of pink and salmon suffusion, the white base outlined with blue. A great favorite. 3 for 20c; 12 for 65c; 100 for \$3.90.

x **Farncombe Sanders, 25 in.** Brilliant rosy scarlet, white center marked with blue. Gorgeous flowers, long stems. 3 for 20c; 12 for 65c; 100 for \$3.90.

King Harold, 24 in. Deep mahogany red with purple-black base. A superb large, fine-formed flower. Excellent for border. 3 for 20c; 12 for 65c; 100 for \$3.90.

x **La Tulipe Noire, 25 in.** (The Black Tulip) Late-blooming. The very darkest of Tulips (maroon-black). Plant with Mrs. Moon for effective contrast. 3 for 20c; 12 for 65c; 100 for \$3.90.

La Candeur, 22 in. Lovely soft white with blush tint. The delicate color easily blends with other varieties. Excellent stems.

3 for 25c; 12 for 75c; 100 for \$4.25.

Pride of Harlem, One of the most gorgeous and popular Tulips. Brilliant rosy-carmine flowers of great size on tall, strong stems; delightfully sweet-scented. A variety that should be in every garden. 3 for 20c;

12 for 65c; 100 for \$3.90.

x **Venus,** An exquisite and finely formed flower of loveliest silvery rose-pink with delicate tone of pink on inside edge of petals, pure white at center base. Exceptionally lovely. 3 for 25c; 12 for 80c; 25 for \$1.50.

Yellow Giant, Large globular flowers of rich, pure golden yellow, the color set off by black anthers. The finest yellow Darwin.

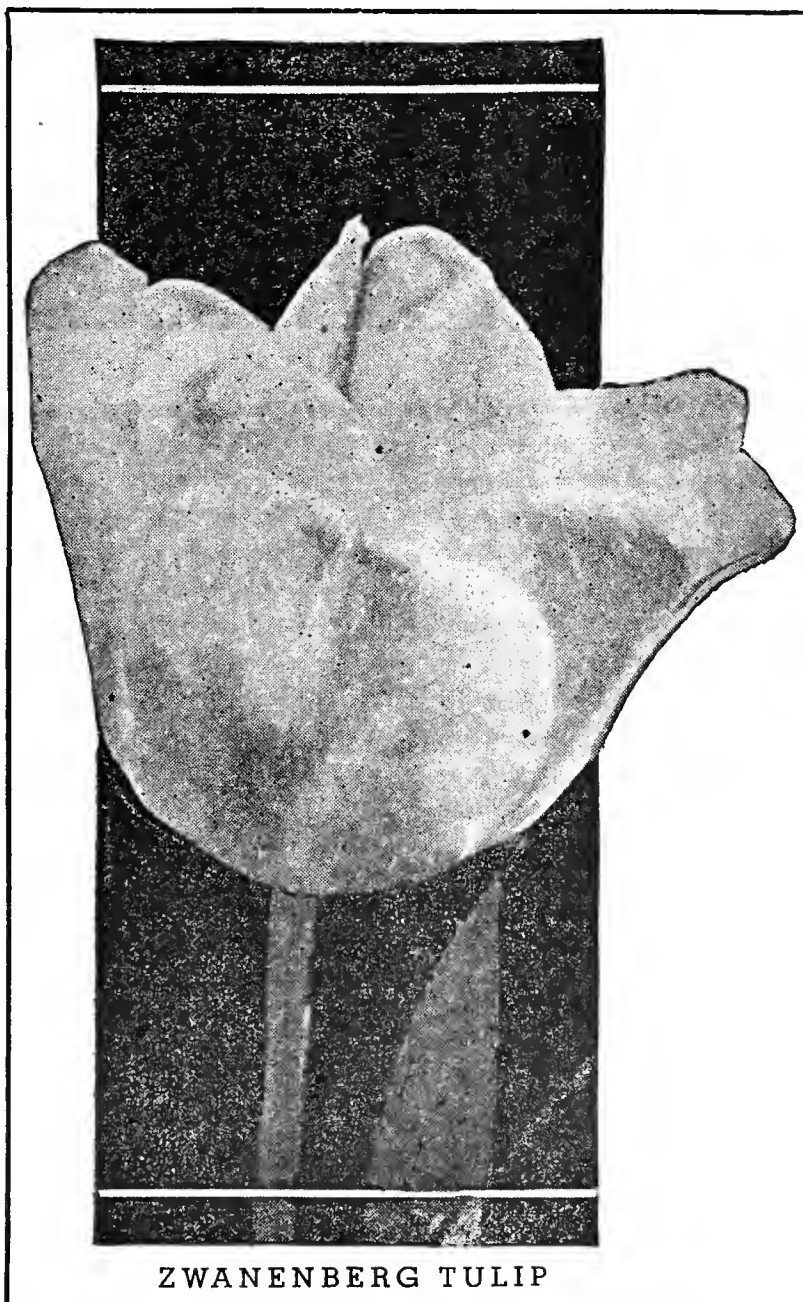

3 for 25c; 12 for 80c; 25 for \$1.50.

Zwanenberg, Attractive sturdy-stemmed large white flower of good substance. Excellent for an all-white border or for beautiful mixed cut flower basket. 3 for 25c;

12 for 80c; 25 for \$1.50.

Princess Elizabeth, The beauty of this Tulip is breath-taking; the large deep rose-pink cup with interior shadings of topaz has a clearly outlined white base. Especially lovely planted in front of evergreens. 3 for 20c;

12 for 65c; 100 for \$3.90.

ZWANENBERG TULIP

MAMMOTH DARWIN TULIPS (Continued)

x Rev. H. Ewbank, Pleasing and attractive, mauve toned with violet and grey. Extra large cup opening very wide. Excellent for combining with yellow or pink varieties. 3 for 20c; 12 for 65c; 100 for \$3.90.

x The Bishop, Large bowl-like flower, conceded to be the best of its color: deep violet blue with inner delicate tan shadings and distinct interior white base. 3 for 30c; 12 for 90c; 25 for \$1.75.

DARWIN TULIPS IN WONDERFUL MIXTURE. This special mixture from choice named varieties in a wide range of colors has been prepared so that everyone may have a fine bed and many cut-flowers at a moderate price. 3 for 20c; 12 for 50c; 100 for \$3.75.

Bizarre, Bybloem and Rembrandt Tulips

(Old Dutch Tulips)

SENSATIONAL AND CHARMING. FINE FOR PLANTING IN CLUMPS OR IN THE BORDER. THE COLORS ARE BLENDED IN PERFECT HARMONY, AND THE FLOWERS ARE MOST DELIGHTFUL FOR CUTTING. 3 for 20c; 12 for 70c; 25 for \$1.25.

Bybloem Mixed, Generally queerly striped and feathered, rose or violet on white ground.

Bizarres Mixed, Have dark brown stripes and featherings on yellow ground.

Rembrandt, Have a variety of harmonizing colors: white, lavender, red, pink, etc., striped and flaked.

-- The Stately -- Breeder Tulips

These magnificent Tulips are next to the Darwins in popularity. They excel in size of flowers, length and strength of stems, and lasting qualities, and are particularly noted for their subdued artistic colors and tones unrivaled by any other class. Be sure to include a few Breeders in your order.

Bacchus, 32 in. Enormous flower of richest shade of violet-blue shading to pastel blue inside with white base. Remarkable size, substance, and stem length. Fine as background for Rev. H. Ewbank. 3 for 25c; 12 for 75c; 100 for \$4.95.

Cardinal Manning, 30 in. Wonderful shade of dark rosy-violet flushed rosy-bronze, edges of petals changing to almost pure orange as flower ages; yellow-tinged base. Striking and fine. 3 for 25c; 12 for 75c; 100 for \$4.95.

Don Pedro, 26 in. Fragrant flower in a charming shade of rich coffee brown with maroon blendings, edged golden brown; inside of petals rich mahogany with olive base marking. Unusually attractive. 3 for 25c; 12 for 75c; 100 for \$4.95.

TULIPS OF DISTINCTION
"Feathered and Striped"

BREEDER TULIPS (Continued)

Golden Bronze, 26 in. One of the most striking and handsome of this splended race of Tulips. Old gold; inside of cup toned mahogany brown, edged golden brown with yellow base. Often two flowers to the stem. 3 for 25c; 12 for 75c; 100 for \$4.95.

Lucifer, 26 in. Sweetly scented, brilliant reddish orange flushed rose with contrasting orange-scarlet edge, the yellow starred base outlined with olive green line. Fine with Cardinal Manning. 3 for 25c; 12 for 75c; 100 for \$4.95.

Splendid Mixed Breeders, A collection of choice Breeder Tulips containing all of the fine color blends that are gorgeous for beds and borders. 3 for 20c; 12 for 65c; 100 for \$3.90.

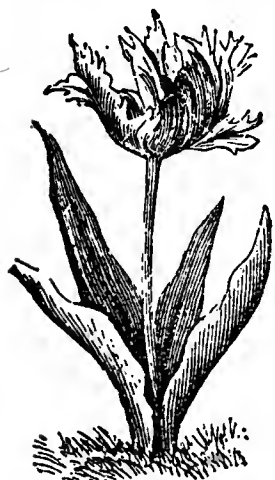

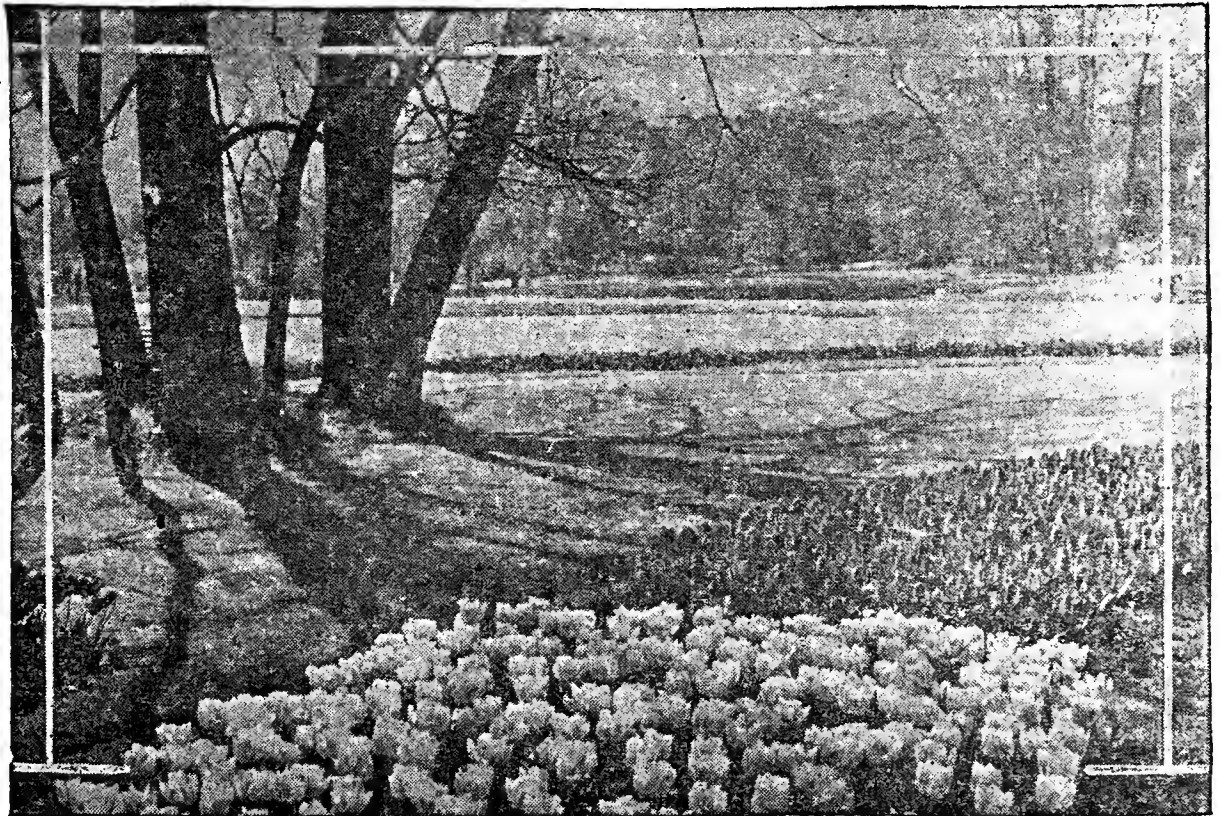

Indian Chief (Extra Special), 32 in. This huge flower of marvelous beauty is carried on exceptionally fine, tall, strong stems. The color of reddish-mahogany flushed purple and edged warm brown is unforgettable. 3 for 35c; 6 for 75c; 12 for \$1.20.

Single and Double Early Tulips

The early flowering Single Tulips have a distinct place for mass effect as they come into flower immediately after the crocuses and before few other flowers are in bloom. The stems are short, being generally 8 to 12 inches high and, therefore, need no background. The Double Early Flowering are a few days later than the Singles. Both of these varieties are also most excellent for pot culture, as they are the earliest of all to bloom, low growing and readily forced. We offer you a choice mixture in both.

x Single Early Special Mixture. 6 for 35c; 12 for 60c; 100 for \$4.25.

x Double Early Special Mixture. 6 for 35c; 12 for 60c; 100 for \$4.25.

Extra Special PARROT TULIP

.....

Fantasy, 26 in. The most beautiful of Parrot Tulips. many enthusiasts give it first place among all Tulips. A glorious soft pink with shadings of deep velvety rose, ofttimes with delicate green markings on back of petals. A tulip every garden must have. 3 for 30c; 12 for \$1.00; 25 for \$1.95

Sundew. Fringed Fancy Tulip, 16 inch. Different from any other tulip, having the petal edges distinctly and heavily frilled. Beautiful rosy crimson. 3 for 20c; 12 for 65c; 25 for \$1.20

Special Note- (See Cover Page)
PARROT TULIPS, Mixed Colors. Beautifully marked and shaded, all with lovely feathered edges. Carefully blended mixture of choicest sorts. 12 for 60c; 50 for \$2.25; 100 for \$4.25

Old English-- Cottage Tulips

May Flowering

This group is so named because recaptured from the cottage gardens to which they had spread after the Tulip boom of the 17th century. The Cottage Tulips have long graceful stems, lovely shapes and many pleasing colors lacking in other varieties, such as delicate pinks and yellows. A planting of these delightful varieties will last for years.

-THREE BIG VALUES-

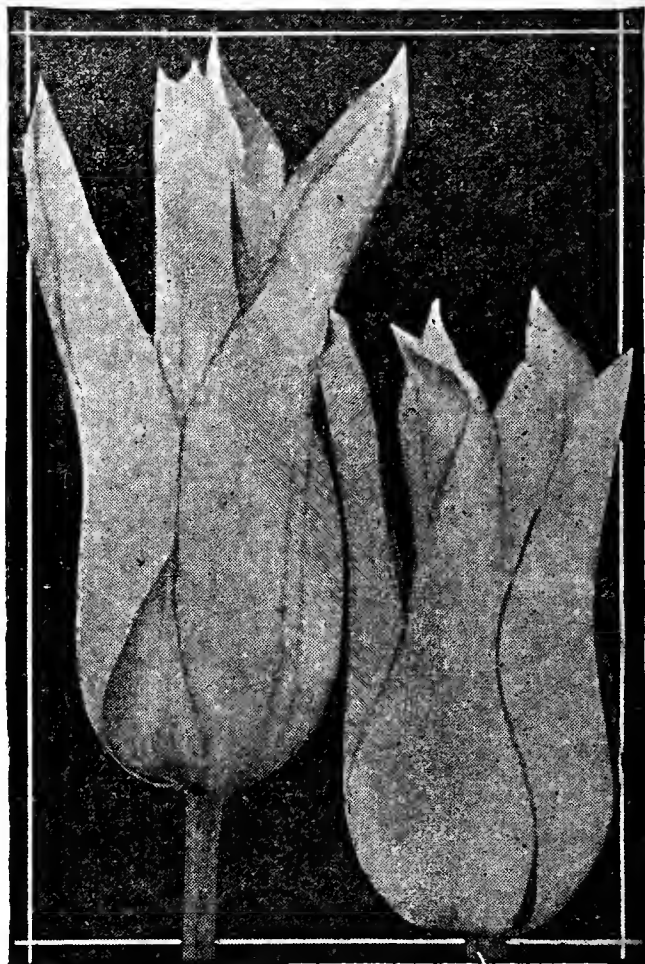

x **Mrs. Moon**, 25 in. Large golden-yellow urn shaped flower with pointed reflexed petals, graceful and exceedingly lovely. Delightful when planted with deep blue flowers. 3 for 25c; 12 for 70c; 25 for \$1.25.

Moonlight, 24 in. Long, oval, exquisitely shaped flower of soft bright canary yellow. Fine blended with light blue flowers in the garden, or used with a blue vase for bouquets.

3 for 25c; 12 for 70c; 25 for \$1.25.

Rosabella, 22 in. Lovely soft warm pink with blended shell-pink inside, shading to creamy-white base; pointed petals edged white. A most charming and new variety.

3 for 25c; 12 for 70c; 25 for \$1.25.

MRS. MOON

Extra Choice-- Cottage Tulips

Dido, 28 in. Beautifully well formed flower of deep rich pink with yellow base; inside of cup toned salmon-yellow edged orange suffusion. An exceptionally attractive tulip.

3 for 20c; 12 for 65c; 25 for \$1.15.

x **John Ruskin**, 16 in. A fine oval flower of deep salmon rose with lavender rose tone inside of cup, petals edged yellow. Splendid low growing late variety.

3 for 20c; 12 for 65c; 25 for \$1.15.

La Mereville, 24 in. Fragrant, large flowered orange-red flower on long graceful stem. Bright and attractive.

3 for 20c; 12 for 65c; 25 for \$1.15.

CARARA, Prize Winner. Creating a sensation at the English shows, this large goblet shaped glistening white flower with beautifully contrasting yellow anthers is exceedingly outstanding and handsome. Fine for all white border or for mixing with other early flowering varieties.

3 for 25c; 12 for 90c. 25 for \$1.70.

Lily-Flowering Tulips

Cottage Tulips, but, because of their form resembling lilies, have been given a special classification. Reflexed pointed petals, graceful stems, extra choice for cutting. We have selected two of the loveliest named varieties and made up a choice mixture.

Picotee, 24 in. Entrancing pure white flower with the pointed, reflexed petals edged deep rose-pink which gradually spreads over the whole flower as it ages. Extra choice.

3 for 25c; 12 for 65c; 25 for \$1.25.

Sirene, 24 in. Long, urn-shaped flower with beautiful reflexed and twisted petals of satiny carmine-rose; when full open, the white center is displayed.

3--25c; 12--65c; 25--\$1.25.

Mixed Lily Flowering Tulips in splendid assortment. An ideal mixed planting.

6 for 45c; 12 for 60c; 25 for \$1.10; 100 for \$4.00.

-: Winter Window Flowering Bulbs :-

Besides the hardy bulbs which also may be forced for indoor winter pleasure, such as Narcissus, Tulips, Hyacinths, Scillas, Muscari, Crocus, Snowdrops, ect; we offer Freesias, Ixias, Valley Pips and Callas as especially fine for this purpose. These may be planted this fall for the window or conservatory.

CALLA LILIES may be brought into bloom at almost any time desired. Prepare the soil by using equal parts of sand, leaf mold and well rotted compost and pot with good drainage. Set tubers one inch beneath surface, as the roots develop near the top, apply tepid water freely while plant is growing. If bloom stalks are cut out carefully when faded, one may have three to the plant. After flowering season, ripen off the tubers and give a rest period of at least two months before bringing into bloom again.

WHITE (Aethiopica). Very popular. The large smooth glossy arrow-shaped leaves with the beautifully pointed creamy white flower (spathe) surrounding a yellow spadix make a handsome pot plant. After flowering and resting the plant may be set near pool or any moist semi shady spot for summer blooming. each 25c; 6 for \$1.35.

YELLOW (Elliottiana) These bulbous plants will be ready for shipment by December. The rounded white spotted leaves and rich glowing yellow flowers form a handsome pot plant.

Each 30c; 3 for 85c; 6 for \$1.60.

VALLEY PIPS. Special Forcing Pips. Beautiful in pots. Can be brought into bloom in 3 weeks.

Each 10c; 3 for 25c.

VALLEY PIPS. Outdoor Pips. Plant 2 in., deep, 2 in., apart in moist, partly shaded bed which has been thoroughly prepared and enriched with well rotted compost. Each 8c; 4 for 25c.

IXIAS (Corn Lilies) . Lovely and graceful little plants. The spikes 10 to 12 inches high carry beautiful little flowers in profusion. We have made up a mixture of 12 varieties in shades of yellow, white, pink, crimson and scarlet, all with harmonizing centers. Plant in late autumn 3 in., deep, 4 in., apart. Perfectly hardy south, indoor pots north. 6 for 20c; 12 for 35c; 25 for 60c.

FREESIA

CALLA LILY

FREESIAS. Most deliciously fragrant of bulbous plants; interesting and delightful flowers. Secure bulbs in early fall, plant 6 to pot, 2 in., deep, in well drained pots of rich fibrous loam, water freely and set in cold frame or protected spot, water as needed, bring in to airy sunny window in about 6 weeks, water with liquid manure. Plants should bloom in about three months.

PURITY. Pure white glistening flowers on good stems. 6 for 25c; 12 for 40c.

Beautiful Mixed Hybrids of many fine colors.
6 for 25c; 12 for 45c.

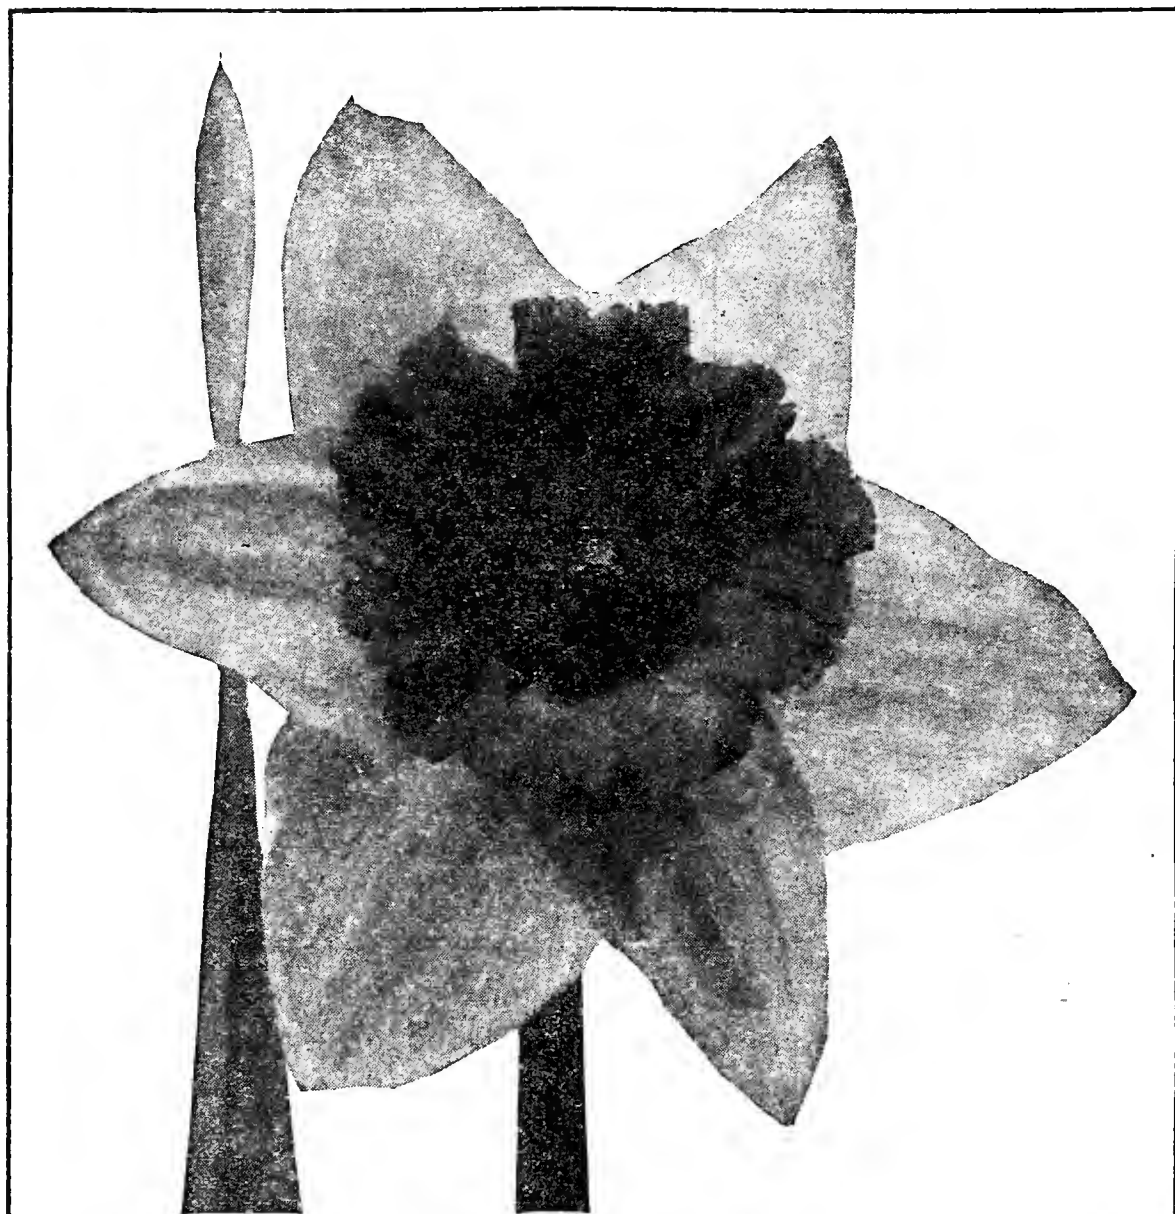

NARCISSUS (Daffodils)

Park's Choice Collection

This versatile, enchanting family of flowers, so easily adaptable to the garden or indoor culture, is early flowering, hardy, fragrant, useful and beautiful. Botanically classed as *Narcissus*, many are commonly called Daffodils. The Polyanthus or Paperwhites may be grown in bowls of water with stones to give the bulbs stability. For indoor winter flowering, 5 to 6 bulbs of any variety planted in a pot of well drained good garden soil and kept in a cool dark place until roots form, will bloom earlier than when planted in the garden bed or border. Several plantings will give blooms over a longer period. For naturalizing in the garden, place in sunny situation, in good garden soil 1 1-2 times the depth of bulb.

Thalia. 3 to 4 graceful, lovely white flowers to the stem. The open recurving petals set it apart as the "Orchid Flowered" Narcissus. Each 20c; 3 for 50c; 12 for \$1.65.

SPRING GLORY

Handsome and popular bicolor. Pure yellow trumpet with creamy petals. Large, free-flowering, long stemmed variety.

Each 10c; 3 for 25c; 12 for 85c.

VICTORIA, (Bicolor). Pure white perianth and butter cup yellow trumped. Choice.

Each 10c; 3 for 20c; 12 for 70c.

Conspicuus, (Barri). The delicate yellow perianth seems to reflect the deeper soft yellow of the short cup with scarlet fringed edge. Excellent for cutting.

Each 10c; 3 for 20c;
12 for 70c.

Seagull, (Barri). Befittingly named, for its broad, pure snow white petals seem to float it above the foliage. The light yellow cup with red picotee brim, gives it a distinctive appearance. Its extreme height, free flowering qualities and late blooming period are fine characteristics for naturalizing. You cannot afford to be without this lovely Narcissus.

Each 10c; 3 for 20c;
12 for 70c.

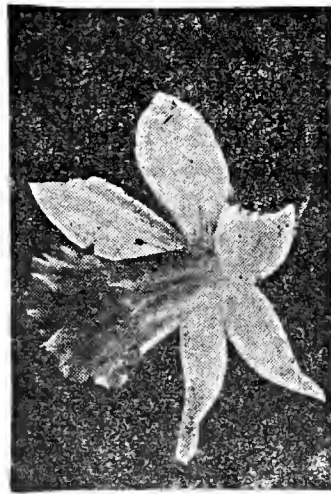

Laurens Koster, (Poetaz). Tall vigorous grower bearing 5 to 7 fragrant, well-formed flowers. The small lemon yellow cup is accentuated by the creamy white petals.

Each 10c; 3 for 20c;
12 for 75c.

Large Trumpet- *Narcissus*

The Emperor. One of the best large trumpet-flowered *Narcissus* in cultivation for either indoor or garden flowerion. The rich, golden trumpet and primrose perianth tops the sturdy stems.

Each 10c; 3 for 20c;
12 for 75c.

Mrs. E. H. Krelage. An unexcelled giant white trumpet Daffodil. Free-flowering exhibition variety. A bargain at - -

20c each; 3 for 50c;
12 for \$1.65.

Robert Sydenham. A constant prize winner. The frilled golden yellow trumpet outlined against the less brilliant symmetrical soft sulphur-yellow perianth; together with the long stems and fine foliage, give an impression of rugged proportionate beauty, which is unforgettable.

Each 15c; - 3 for 35c; - 12 for \$1.30.

***Narcissus Poeticus*, (Pheasants Eye).** The pure white perianth is centered with a small yellow eye, edged deep scarlet. A charming sweet scented cluster flower for the garden.

Each 10c; - 3 for 20c; - 12 for 60c.

Double Daffodil, (Orange Phoenix). Canary yellow. Strong, tall stems bear the larger, longer, primrose petaled flowers excellently. Truly a bargain at - - -

3 for 25c; - 6 for 45c; - 12 for 80c.

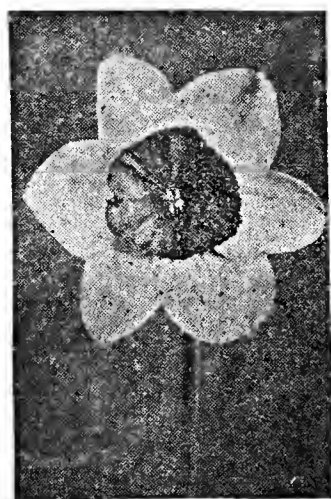

Jonquils. Clusters of 3 to 8 deliciously scented, rich golden flowers. Each 5c, 6 for 25c; 12 for 45c.

Golden Scepter. One of the finest Jonquil hybrids. Medium size flower of deep golden yellow; the trumpet has a slightly more golden tone than the perianth. Each 10c. 3 for 25c. 12 for 80c.

SPLENDID NARCISSUS MIXTURE. We have a fine mixture made of fine named varieties of *Narcissus*, prepared especially for naturalizing in clumps, among the grass and shrubbery, or in the garden hedge. 12 for 50c.

Bernardino, (Incomparabilis). Looking into the heart of this beautiful flower one may see four colors: the tan of the stamens encircled by the rich yellow frilled cup, edged orange apricot with a surrounding background of large creamy white petals.

Each 10c; 3 for 25c;
12 for 85c.

BERNARDINO
Narcissus Incomparabilis

Sir Watkins, (Incomparabilis). Probably the largest and most showy in its class. Extra large orange tinged medium cup surrounded by sulphur-yellow petals. Early bloomer. Fine for forcing or bedding.

Each 10c; 3 for 20c;
12 for 75c.

Polyanthus Grandiflora. Giant paper white *Narcissus*. Bunch flowering pure white clusters. Lovely decorative specimens for winter flowering in pots of soil or pebbles and water. Plant some every three weeks for succession of blooms.

6 for 20c; - 12 for 35c.

HYACINTHS *Direct from Holland*

Beautiful for Pots, Beds or Borders

::

GLORIOUS, DELICIOUSLY FRAGRANT
FLOWERS OF EASIEST CULTURE

Giant Flowered Large Bulbs, preferable for pots as well as splendid in the garden, 16 to 17 centimeters in circumference and will produce large, compact trusses on fine upright stems.

7 Choicest Colors-- Each 15c; 3 for 35c; 12 for \$1.10.

Triumph Tulips

£2

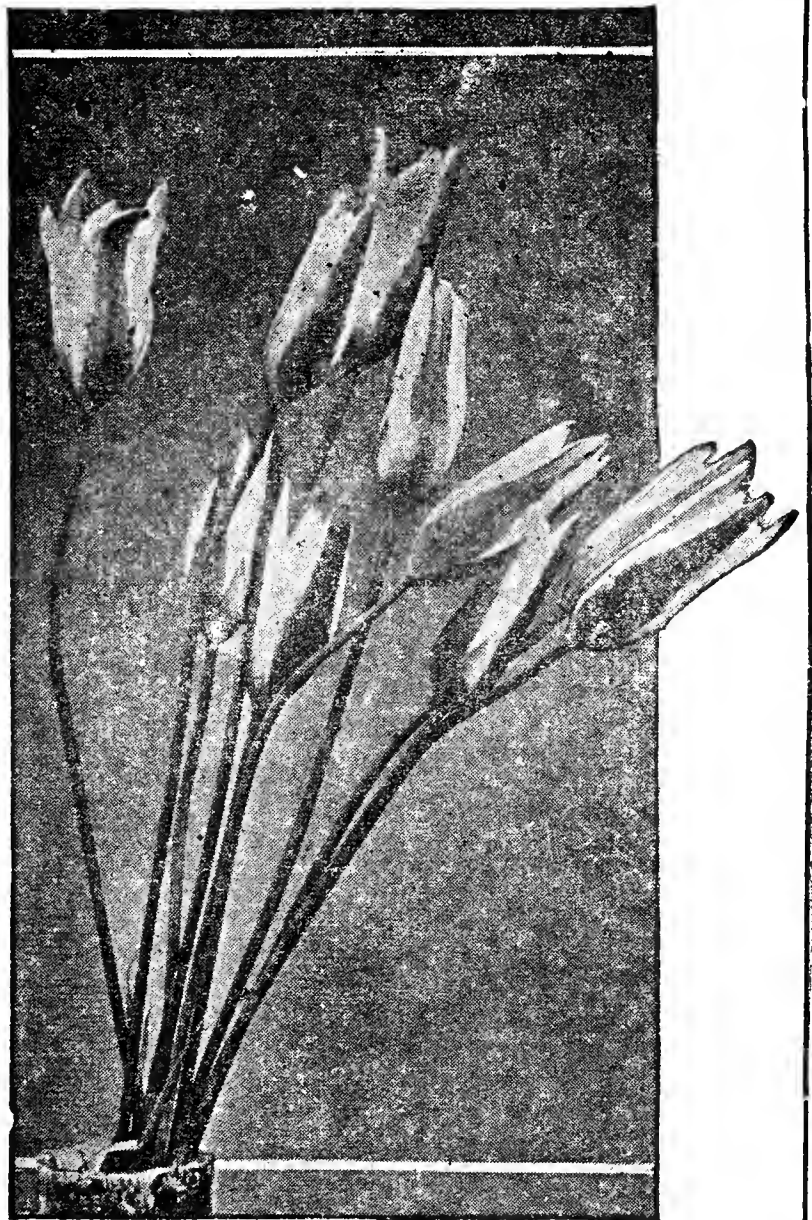

The value of this fine new race of Tulips, produced by hybridizing the Darwins and Early Single varieties, has been recognized by commercial growers and gardeners as an outstanding achievement by Mr. Zocher of Holland, who spent years in perfecting the TRIUMPH TULIPS.

The combination of long strong stems, beauty of colors and earliness of flowering bridges the blooming period between the Darwins and Earlies.

By all means plant a group of Triumphs.

6 for 40c; 12 for 65c;

100 for \$4.25

Among the charming varieties of Botanical Tulips, we have chosen CLUSIANA or LADY TULIP as a lovely species for the rock garden. The small, showy, pointed white and bright cherry red petals with creamy inside lining and dark blue base, growing on 12 in. stems, form a distinctly pleasing picture.

3 for 20c; 12 for 75c; 25 for \$1.50.

Hardy Garden LILIES

... AVAILABLE FOR FALL AND SPRING PLANTING ...

No garden is complete without a few choice lilies. One or more added to your collection will soon establish for you a good supply. Plant in a rich, well-drained, well prepared partially shaded bed 6 inches deep, with sand at base of each bulb to prevent rotting. Lilies mature at different periods and can not all be supplied at same time. Orders will be booked and bulbs shipped when stock arrives. Note approximate dates. These may be secured any time afterwards.

Lilium Regale. Hardy, easily grown, handsome and popular; the fine trumpet-shaped, deliciously scented flowers bloom profusely. Color: ivory white shadowed pink with yellow tinge at base of each petal. Extra large bulbs, Each 25c; - 3 for 65c. Ready in Oct. Fresh Regale Seed, which should produce flowers the third season from planting. Packet only 5c.

Lilium Speciosum Album. Large white flowers of great substance with a greenish band running through the center of each petal. Extra large flowering bulbs, Each 30c; - 3 for 75c.

Ready late November.

Lilium Henryi. This lovely rare variety grows 3 to 5 ft. high, is perfectly hardy and grows well. Flowers are a rich apricot-yellow with a few brown spots. Large bulbs, Each 30c; - 3 for 75c.

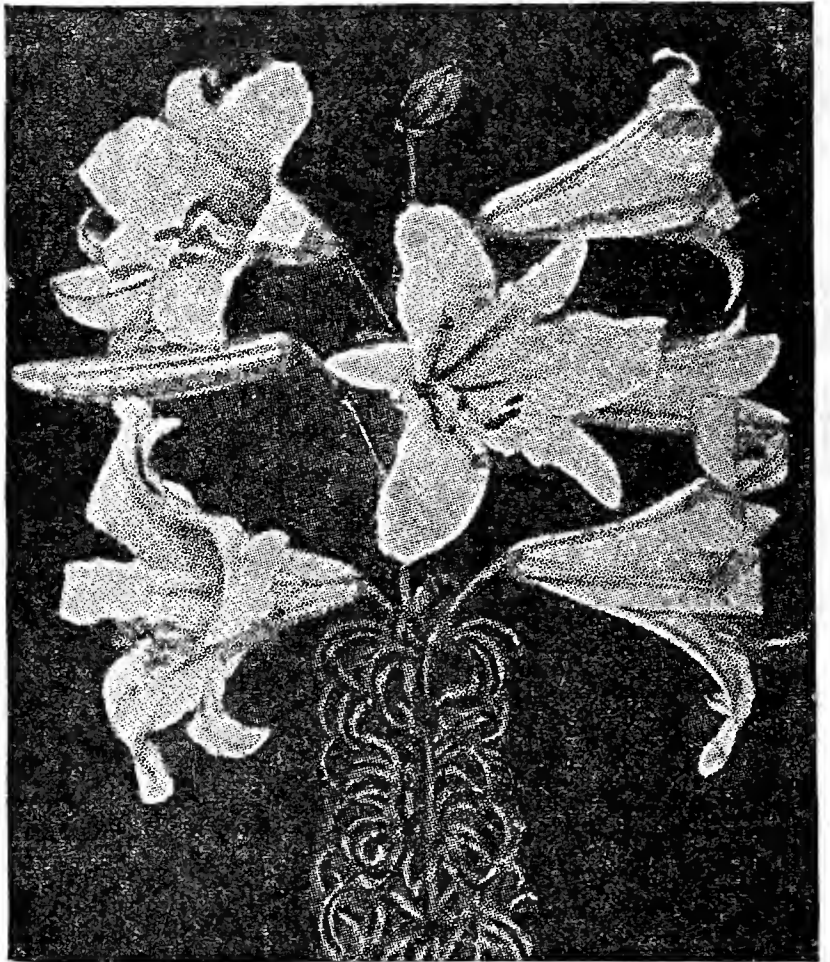

Ready late November.

Lilium Tenuifolium. Lovely, flashy, nodding, mid-summer lily of deep coral red. Prolific bloomer. 18 in. stems. Each 20c; - 3 for 50c;

Ready after 15th Oct.

Lilium Auratum. (Golden-banded lily of Japan.) One of the finest. Large, graceful, fragrant, 6 petaled flowers of a delicate ivory-white color, chocolate crimson spotted with golden yellow center. Large bulbs, Each 30c; - 3 for 75c.

Ready late November.

LILIUM REGALE

LILIUM TIGRINUM

Lilium Tigrinum. A splendid, easily grown, tall variety. Stems bear many large, reflex, black spotted, deep orange flowers.

Each 20c; - 3 for 50c. Late November.

Lilium Rubrum. Very popular. Rosy-white flowers heavily spotted with rich crimson; extra large flowering bulbs Each 25c;

3 for 70c.

Late November.

LILIUM CANDIDUM

Lilium Candidum, For Fall planting only. These loveliest of all, popular, deliciously fragrant, white flowers must be planted in early fall. Plant 2 in deep. Order promptly. First size bulbs, Each 20c; - 3 for 55c.

After 15th September.

Choice California Bulbs. Fall Planting

We offer here for the first time a limited assortment of some of the world's most desirable natural bulbous plants which we are able to secure from some friends in Humboldt County, California, where these plants originate. These plants have proven themselves perfectly hardy throughout the eastern U. S., and should do especially well in the "Old South". Proper cultural instructions will be supplied with each purchase. Bulbs ready for shipment 1st of October.

RUBESCENS. (Redwood, Chemise or Chaparal Lily). This is considered the world's most fragrant lily. The stalk is tall and slender with whorled leaves. The beautiful tubular shaped flowers open white, dotted with purple, but changes to wine red and deep purple with age. Blooms of many shades may be seen on the same stalk at one time. Each 40c; - 3 for \$1.00.

KELLOGGII is known as the world's most beautiful natural lily. It is very distinct and rare. The bulb, stalk, and foliage resemble Rubescens. But the flower petals are closely revolute. It opens a delicate pink, yellow banded, finely dotted maroon, and turns a pansy purple with age. It also has a wonderful penetrating spicy odor. Each 65c; - 3 for \$1.75.

COLUMBIANUM, (Oregon Lily). A strong easily grown lily which is quite similar to the popular Humboldtii. The flowers are a bright golden to orange red, spotted maroon, on strong, tall stems. Each 30c; - 3 for 80c.

Erythroniums, (Dogs Tooth Violets)

The richly mottled foliage of the plants alone makes them worthy of a place in a shady corner of your garden. The flowers remind one of entrancing miniature lilies, often 3 to 5 inches across, on stems as much as 18 inches high. From the many lovely varieties, we offer here some of the best.

E. REVOLUTUM, (Pink Beauty). The flower is a rich lavender pink, and very pretty. The foliage is richly mottled brown on emerald green background. Each 10c; - 12 for 75c.

MIXED, (Western Species). The predominating variety in this mixture is Californicum "White Beauty", which has large white flowers, zoned with maroon at base. 3 for 20c; - 12 for 60c.

--:Iris Kaempferi:--

- Japanese Iris -

There are really no flowers quite as beautiful and impressive as the stately Japanese Iris. The sturdy tall plants topped with the large blossoms in many harmonious colors are interesting and pleasing as single specimens or in groups or drifts. The plants are perfectly hardy and thrive in rich, moist soil. It is a pleasure to offer the choice varieties listed below.

Gold Bound. Wonderful pure white double, enriched by a creamy glow from the gold banded center.

Each 30c; 3 for 80c; 6 for \$1.50.

Hadona. Nine petals, lovely contrasting golden center with violet blue petals and light blue veins.

Each 30c; 3 for 80c; 6 for \$1.50.

Koko No Iro. Purple and gold. Enormous double, rich violet-purple six petaled flowers with white petaloids tipped violet, golden throat. A grand specimen.

Each 30c; 3 for 80c; 6 for \$1.50.

Mahogany. Latest to bloom. Large and handsome double flowers of purple mahogany red, crested petals.

Each 30c; 3 for 80c; 6 for \$1.50.

Melpomene. A very striking variety. Three large deep pink petals with white halo and heavy white veins.

Each 30c; 3 for 80c; 6 for \$1.50.

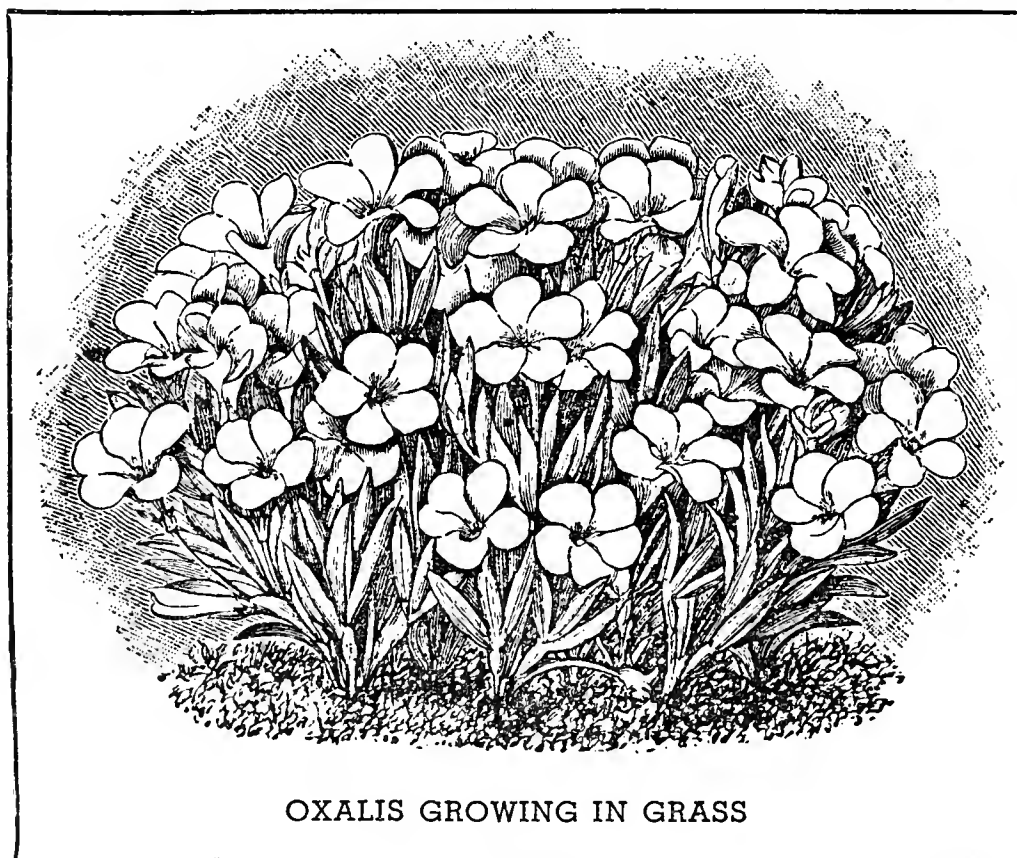

Seacrest. Large frost-white wavy six petaled flowers with a rift of blue at center. Exquisite and striking.

Each 30c; 3 for 80c; 6 for \$1.50.

SPECIAL-- Blue Waves. New sensational Iris. The greyish background overlaid with wisteria blue, contrasting golden center. Swaying in the breeze, the flowers happily remind one of the rolling waves.

Each 45c; 3 for \$1.20; 6 for \$2.10.

Extra! Extra! All 7 above including Blue Waves for \$1.75.

OXALIS GROWING IN GRASS

OXALIS

Fine for winter pots or hanging baskets. Plant 1 in., deep in a porous soil composed of equal parts leaf-mold, soil and sand. Set or hang in sunny window.

Bermuda Buttercup. Free blooming, rich golden yellow.

Grand Duchess- Lavender.

Grand Duchess- Pink.

Grand Duchess- White.

3 for 15c; 6 for 25c; 12 for 40c.

AQUILEGIA LONGISSIMA

AQUILEGIA : : LONGISSIMA

Award of Merit, Royal
Horticultural Society

Among Columbine lovers this splendid Aquilegia stands out as unique. The plants grow two to three feet tall, having the lovely characteristic green cut-leaf foliage and long reddish stems which carry the dainty, unusual and arresting flowers of deep yellow and cream with long 4 inch spurs in abundance. It has enjoyed increasing popularity since being recognized by the Royal Horticultural Society of London and is not only an adornment in the garden but also an effective cut flower.

-Hemerocallis-

-Day Lily-

oo

In the words of Mr. Betscher, (famous hybridist) "The Perennial Supreme." The plants possess so many commendable qualities that they are growing constantly in popular favor. Perfectly hardy and robust in growth, when once established, little care is required and a lavish display of gorgeous blooms will result. We offer the following choice varieties at- - - 25c each; 6 for \$1.25.

Dr. Regel. 1½ ft. Low growing, early, fragrant, full flowering, pure orange yellow. Plant in foreground.

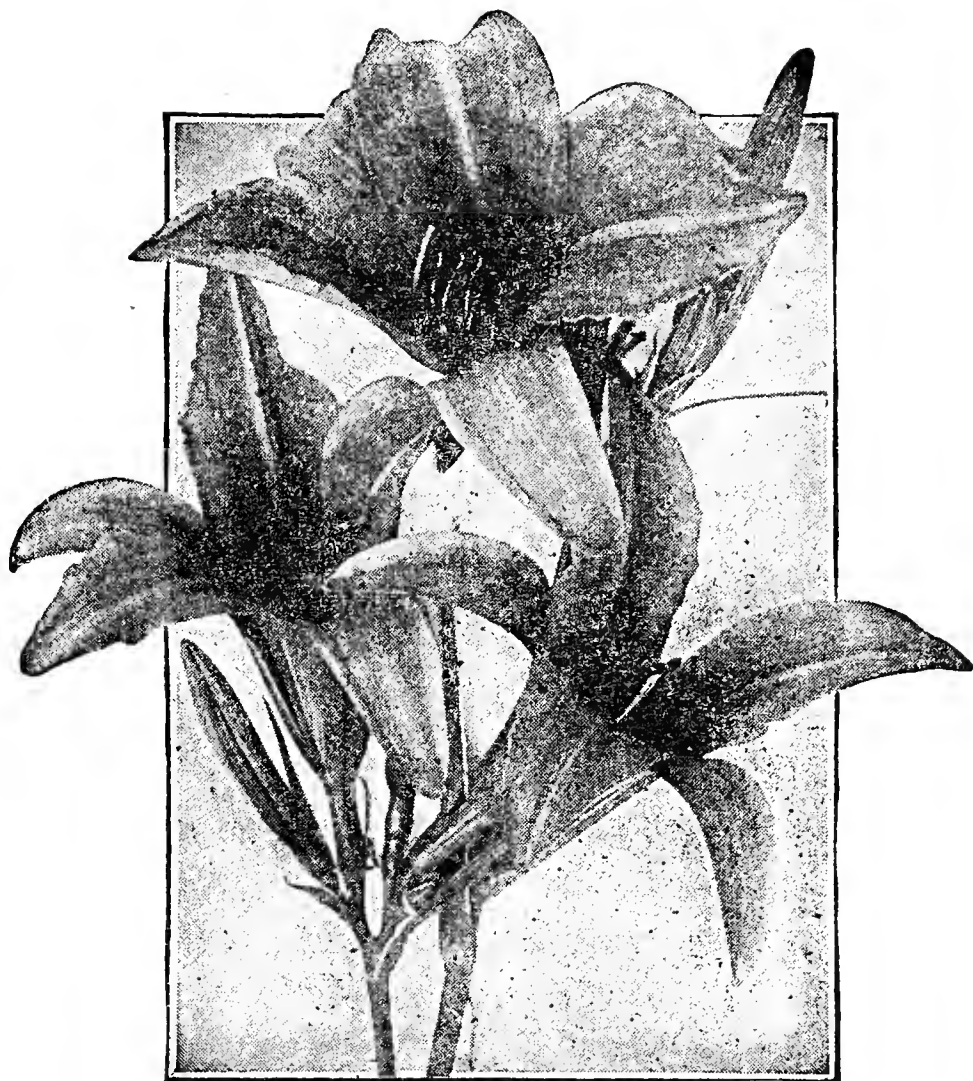

Flava. 3 ft. "The Lemon Lily." Early blooming, beautiful clear lemon yellow.

Fulva. 3 to 4 ft. "The Tawny Lily." Tall, colorful prolific bloomer of reddish yellow.

Kwanzo. 4 ft. Late blooming coppery orange-red double flowers. Very fine.

Middendorfii. 1½ ft. Handsome, rich orange yellow, fragrant flowers in May and June, following Dr. Regel.

Thunbergi. 3 ft. Late blooming, fine pale yellow; plant in beds with Flava for succession of blooms.

— EXTRA SPECIAL —

Anna Betscher. 2½ ft. This magnificent variety produces in profusion the perfectly formed rich golden yellow flowers during late July and August. Each 50c.

J. A. Crawford. 4 ft. One of the finest of all Day Lilies. The brilliant combination of apricot and cadmium-yellow is striking in the garden during July and August. Set back of Anna Betscher. Each 50c.

Dicentra (Dielytra)

...Bleeding Heart...

■ ■

One of the best flowering perennials; charming clusters of bright-pink drooping flowers bending gracefully above the beautiful cut-leaved foliage. Plant deep in porous well drained soil in a sheltered but sunny location; cultivate and leave undisturbed and the plants will furnish beauty for years.

Plants -- 40c; 3 for \$1.00.

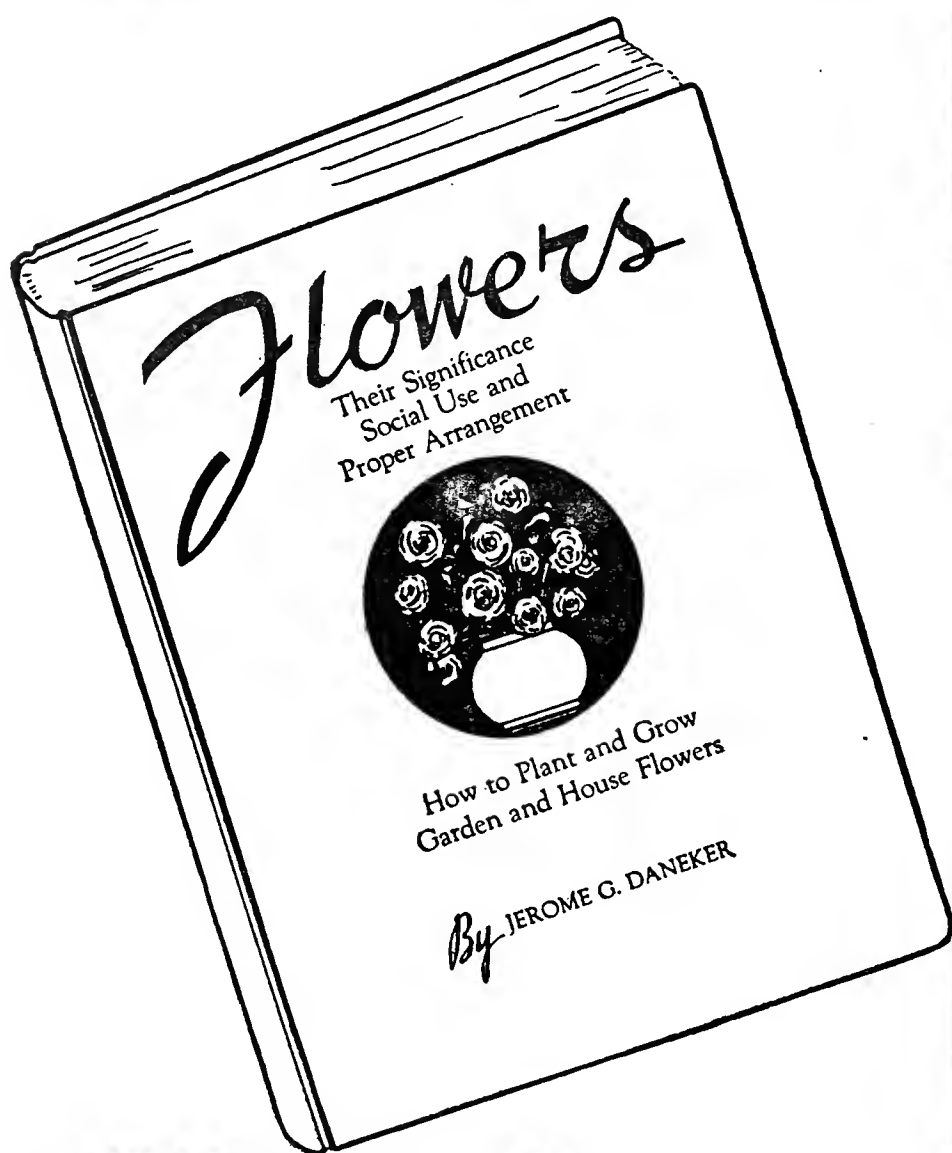

DISTINCTIVE AND AUTHORITATIVE BOOK ABOUT

FLOWERS

Special to Our Customers - 50c.

So great was the demand for the book "Flowers," here illustrated, that we were weeks behind in filling our patrons' orders. But now, in anticipation of the Fall trade, we are prepared. We are in position to make shipments of all orders for Daneker's book "Flowers" from advanced stocks already delivered. We are fortunate, indeed, to be able to continue this generous offer. Especially is this true because thousands of our Spring Catalogs did not include the "Flower" book inserts. Many of our good patrons had no knowledge about this unusual volume. The first mailings of our Spring Catalog were sent out before we received the initial shipment of the book "Flowers" sheets, and our sincere apology is extended those who were not able to take advantage of our exceptional spring offer, it is therefore continued.

This Splendid Book for 50c... But to Our Customers Only

Never before, at this price, has so much interesting and instructive information, about Flowers, been combined in one volume. Fully illustrated and most attractively bound, this unusual printment will constitute a lovely, as well as indispensable, addition to any one's library or shelf of really worth-while books. Lovers of flowers will find this book to be a gold mine of necessary information. It is brimful of actual suggestions concerning how to plant and care for Flowers, both in the garden and indoors; how to make your garden and indoor plants develop more luxuriantly. It tells just how to make all kinds of Flower arrangements, from a modest bouquet for the table or sick room, to the elaborate corsage for the bride—from a single bowl of pansies to the complete decorations

for the wedding. In fact, practically all the Flower lover should know—planting, growing, care and arrangement of Flowers—is included. Also, details concerning State Flowers, the Language of Flowers, and many other interesting references.

AN IDEAL

Read How You May Secure This Unusual Bargain

Please understand the distinctive beauty and value of this Book: quite different from the ordinary volume on the subject of Flowers, is full $5\frac{1}{4}$ x $7\frac{1}{4}$ inches and most attractively bound, heavy case-bound board binding, decorated in colors, 104 pages, beautifully illustrated with halftone engravings and printed on heavy enamel paper.

However, the real intrinsic value of this Book is in its contents, its liberal use of high grade art engravings to accurately illustrate its pages, the various subjects (about Flowers) treated in simple detail, so that any one may readily profit by the use of its complete information. You'll be sorry if you pass up this opportunity.

Even though we secured special reduction on the publishing, the price at which we are making this offer would not pay the actual cost of preparation, art work, engravings, and printing. This does not take into consideration the cost of packaging and postage, which we pay. So we are only justified in offering this Book AT 50c in anticipation of your order for \$1.50 worth (or more) of seeds or bulbs to accompany your order for the Book. Without the seed or bulb order (\$1.50 or more) the price for the Book alone is \$1.50, and this price is 25% less than the publisher will charge you. Only our customers can secure this Book for 50c with an order for \$1.50 worth of seeds or bulbs, and all others must send us our special price of \$1.50 for the Book, alone.

CHRISTMAS PRESENT

Annuals for Fall Sowing

Many Annuals like cool weather in which to germinate and grow best and those offered by us are easily grown from seeds and will afford much pleasure. Space does not permit full descriptions, therefore, we refer you to our Flower Book, which contains many varieties not listed in this catalogue. All seeds 5¢ per pkt., 22 pkts. \$1.00, 50 pkts. \$2.00, 77 pkts. \$3.00.

CALENDULA ORANGE KING IMPROVED

CALLIOPSIS. Beautiful, very free-blooming annuals of easy culture, showy in beds and bloom for weeks during summer. Sow seeds where plants are to bloom and thin. **Crimson King**, bushy plants; crimson flowers. **Drummondii**, **Gold Crest**, semi-double, golden. **Drummondii**, **Golden Wave**, crimson and gold. **Mayfield Giant**, large yellow flowers, new. **Superba**, new bizarre shades, fine cut-flower.

CENTAUREA Cyanus. One of our easily grown annuals, succeeding in almost any soil or location. The plants grow about 2 feet high and produce a mass of lovely flowers throughout summer and fall. Fine for beds also for cutting. Colors: White, Red, Rose, Blue, Purple, separate or Mixed.

Jubilee Gem, new; splendid dwarf variety, literally covered with dark but vivid blue flowers.

CLARKIA Elegans. A very lovely plant growing about 2 ft. high and producing a mass of dainty double flowers in early spring, from fall-sown seeds. Does well in sun or shade and likes poor soil. Colors: Purple King, Ruby Ring, Salmon Queen, White Prince, Rosy Pink, Scarlet Queen. Separate or Mixed.

COLLINSIA. A very choice, easily-grown garden flower for beds or borders, also useful for cutting. The plants branch and are covered with a mass of rich colored blossoms throughout the season.

Bicolor, white and rosy-purple; **Carnea**, flesh; **Candidissima**, white; **Grandiflora**, mixed; **Salmon Beauty**, salmon-rose.

ALYSSUM. Everblooming, sweet clusters, splendid for beds or edgings. A must have.

Carpet of Snow, white, procumbent. 5¢, 1/4 oz. 10¢

Lilac Queen, compact, lovely lilac flowers.

Little Dorrit, finest pure white, excellent variety.

Primrose Queen, rich creamy yellow; showy.

CALENDULA. One of the finest plants for pots or greenhouses during the winter months when flowers are scarce. They are easily grown from seeds and are unexcelled for cutting and designs. Give them a trial.

Art Shades, desirable mixture of delicate shades.

Campfire, huge full-double orange flowers.

Frilled Beauty, lovely deep orange, frilled petals.

Golden Beam, rich golden yellow; quilled.

Masterpiece, rich deep orange, dark center.

Orange King Improved, intense orange; splendid.

Orange Shaggy, orange shading to yellow.

Orange Sunshine, large, Chrysanthemum-like.

Sunshine, new; distinct; bright canary yellow.

CANDYTUFT. Showy plants of easy culture, furnishing a wealth of flowers of the most exquisite colors. Seeds sown in fall will produce bloom from May to July.

Giant Hyacinth-flowered, white, large spikes.

Pectinata, white; fragrant; fern-like foliage.

Queen of Italy, compact plants; pink flowers.

Umbellata, large umbels of showy blooms.

White, Carmine, Lilac, Purple, Mixed.

CENTAUREA CYANUS JUBILEE GEM

ESCHSCHOLTZIA, California Poppy. These are among the most easily grown, beautiful and showy of garden annuals. The plants grow about a foot high and are clothed with finely-cut silvery foliage against which the long-stemmed, richly colored, cup-shaped flowers stand out in great numbers, making a glorious display.

Californica, yellow; **Carminé King**, carmine-rose; **Chrome Queen**, chrome yellow; **Mikado**, orange-crimson; **Rajah**, purplish carmine; **Alba**, white; **Enchantress**, Tyrian rose; **Robert Gardner**, orange; **Rosea**, rose; **Tango**, ochre-red; **Sulphurea**, sulphur yellow; **Dainty Queen**, coral-pink; **Mauve Beauty**, reddish violet; **Vesuvius**, red. **Kelway's Rainbow Mixture**, brightest and newest colors. **Holland Prize Mixture**, rich colors. Pkt. 5¢, $\frac{1}{4}$ oz. 15¢.

LARKSPUR. The double Larkspurs are beautiful annuals for garden decoration or for cutting. The flowers are exquisite in texture and color, are free and long-blooming and borne in long spikes. The plants are of easy culture, and will grow in almost any

sunny bed. Sown in autumn they bloom well during spring and summer. Sow where plants are to bloom and thin.

Stock-flowered, White, Bright Rose, Azure, Dark Blue, Rosy Scarlet, La France Pink. Mixed Colors, pkt. 5¢, 1-4 oz. 15¢.

Giant Imperial, Blue Bell, azure; **Cattleya**, lilac; **Coral King**, pink suffused coral; **Crimson King**, crimson; **Exquisite**, pink; **White King**, white; separate or mixed.

Giant Hyacinth-flowered, long spikes; mixed.

MATRICARIA, Feverfew. Every flower garden should contain a bed of these showy handsome annuals. They are readily started from seeds; the plants becoming masses of lovely flowers during summer.

Capensis, pure white; **Silver Ball**, white.

ESCHSCHOLTZIA, CALIFORNIA POPPY

NEMOPHILA, Baby Eyes. Here is the flower you have been looking for, it is just the plant for Hyacinth and Tulip beds. They are always admired by everyone. The lovely cup-shaped flowers are produced on compact plants, growing about 6 in. high. Sown in fall the plants bloom early in spring and are wonderfully showy in beds. Don't fail to get your packet.

Atomaria, dark blue; **Crambeoides**, light blue. **Insignis Marginata**, blue and white. Also **Nemophila** in splendid mixture.

PAPAYER, Poppy, Carnation-flowered, mixed.

Double Fringed, finest mixture; richest colors.

Paeony-flowered Double, showy mixed colors.

Shirley, Single-flowered, exquisite mixture.

Shirley Begonia-flowered, double; frilled; mixed.

PHLOX Drummondii. This is one of our best annual flowers. In the north plants should be started in beds or boxes and transplanted, but in the south seeds may be sown in the fall where plants are to bloom. They re-seed, and cover the ground with volunteer plants. They like rather sandy, rich soil, and will grow in any garden. Seedlings begin to bloom when small and continue throughout the season. The bright flowers in many colors appear in large clusters.

Cuspidata, star sorts mixed. **Fimbriata**, fringed, mixed.

Gigantea, Art Shades, wonderful range of pleasing colors.

Improved Grandiflora, brightest and best mixed. 5¢, $\frac{1}{8}$ oz. 25¢.

New Giant Perfection. Pure White; Violet; Yellow; Blue, white eye; Purple; Dazzling Red; Rose; Scarlet, white center; Salmon Rose. Mixed Colors, 5¢, 1-16 oz. 15¢.

SILENE Orientalis Compacta, clove-scented; rose; for beds.

TEN WEEKS STOCK. All of the Stocks are beautiful and very satisfactory for either outdoor beds in summer or pots in winter. The flowers are large, double, deliciously fragrant, and come in massive spikes.

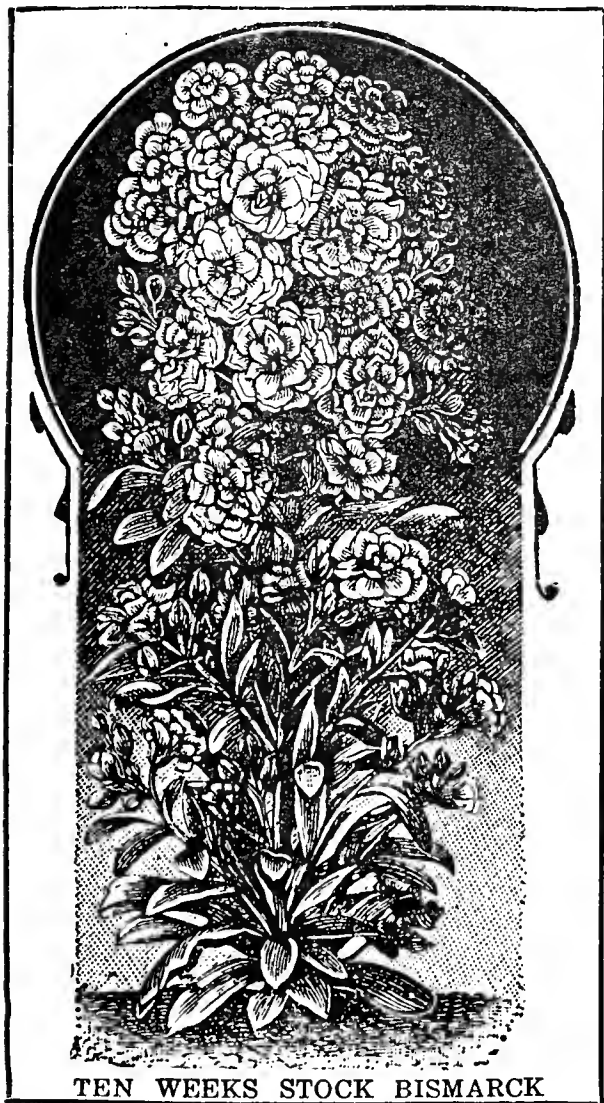

Bismarck, White, Chamois, Azure, Brilliant Rose, Dark Blue, Blood Red, separate or mixed.

Dwarf German, White, Canary, Rose, Crimson, Blue.

New Beauty, White, Canary, Rosy Lilac, Blood Red, Gold with Rose, Pink, Purple, separate or mixed.

VIRGINIA STOCK. Showy annual that blooms well in pots during winter. Red, White, Yellow, Carmine, Mixed.

VISCARIA. Pretty border plants, exceedingly bright, always admired. **Blue Bouquet**, intense blue. **Cardinalis**, rich scarlet. **Rose Beauty**, bright deep rose.

TEN WEEKS STOCK BISMARCK

PERENNIAL

SEEDS

Fall

SUITABLE for

Sowing

In the fall before the heavy frosts set in, perennial seeds may be sown outdoors. The seeds may lie in the ground, unsprouted, till spring but will germinate easily and the plants will appear long before the ground is ready to work. The plants will be better and will bloom earlier. Protect seed-beds and baby seedlings over winter with a light covering of hay, straw or other coarse material. The seeds offered by us are of the latest crop; sure to grow, sure to please. All seeds 5¢ per packet, 22 packets \$1.00, 50 packets \$2.00, 77 packets \$3.00; post paid.

ACANTHUS Lusitanicus, spikes of purple flowers
ACHILLEA Kelwayi, showy bright red heads.

The Pearl, beautiful double white flowers.

ACONITUM Lycoctonum, yellow; showy; rare.

Napellus, dark blue spikes; border plant.

ADONIS Vernalis, large showy golden flowers.

ALSTROMERIA Chilensis, lily-like plants; pink and orange with crimson markings.

ALYSSUM Saxatile Compactum, Basket of Gold, showy masses of bright golden flowers.

Rockery Blend, special mixture for rockeries.

ANCHUSA Italica Dropmore, lovely gentian blue

Myosotidiflora, Forget-me-not blue; choice.

ANDROSACE Coronopifolia, pretty white rosettes

ANEMONE Coronaria, St. Brigid, mixed colors.

Japanica, beautiful rose and white flowers.

Narcissiflora, white Narcissus-like blossoms.

Pulsatilla, lovely three-inch violet flowers.

ANTHEMIS Nobilis, white with gold disk; fine.

ARABIS Alpina Grandiflora, Rock Cress, charming clusters of pure white flowers throughout spring, making a glorious display.

ARENARIA Montana, close tufts of greyish-green foliage covered with white blooms.

ASCLEPIAS Syriaca, pinkish-purple umbels.

Tuberosa, large clusters; orange and scarlet.

ASTER, Perennial, Michalmas Daisy, fine autumn flowers, mostly blue and red shades.

Alpinus, violet-blue; **Alpinus Goliath**, soft blue;

Amellus, blue and rose shades; **Farreri**, violet-mauve; **New Double-flowered**, mixed.

Snowflake, white; **Sub-coerulea**, lilac-blue.

ASTILBE Arendsii Hybrida, large plumes, rose.

Davidii, panicles of rosy-purple flowers.

AUBRIETIA, Rainbow Rock Cress, spreading plants forming a sheet of early spring bloom; very beautiful, lasting for weeks.

Eryii, blue; **Graeca**, violet; **Hybrida Grandiflora**, mixed; **Leichtlinii**, rose; **Purpurea**, purple.

BAPTISIA Australis, spikes of indigo flowers.

BELLIS Perennis, English Daisy, beautiful hardy ever-blooming bedding plants of easy culture. The flowers are like small double Asters, of many rich colors, and if alternated with Pansies the effect is fine.

Monstrosa, Red, White, Rose or Mixed.

Hufeld's Super-Giant, **Le Grand Fuselier**, the largest English Daisy in existence; unexcelled. Colors: Rose, White, or Mixed.

Giant Chevreuse, Italian Daisy, bright red.

Glory of Frankfort, dark red; quilled flowers.

BETONICA Grandiflora, reddish purple heads.

AQUILEGIA, Columbine

We have a splendid collection of these graceful, showy and beautiful perennials; all hardy, easily grown, free-blooming, and greatly admired. They delight in moist soil and partial shade, and are easily started from seeds, which require from 4 to 6 weeks to germinate, according to conditions.

Alpina, lovely blue flowers, three inches across.

Barr's Glory Strain, large long-spurred flowers in the greatest variety of colors.

Benary's Improved Long-spurred, a special strain surpassing all others; splendid mixture.

Caifornica Hybrida, sepals and petals tinged orange, long carmine spurs, canary corolla.

Chrysantha, long-spurred, chrome yellow.

Coerulea, lovely sky blue with white corolla.

Crimson Star, petals white, spur and sepals red.

Longissima, delicate creamy yellow; 4 in. spurs.

Pink Shades, delicate pink with long spurs.

Scott Elliott's, long-spurred, finest mixed colors.

CARNATIONS

The Carnation is one of our most desirable perennials. The plants start readily from seeds, stool out into fine clumps, begin to bloom in five months, and bloom continuously. If potted, they will bloom in the sunny window in winter. The flowers are large, perfectly double, deliciously fragrant, and come in rich colors, some striped or blotched. The plants will last for years, requiring a little protection at the far north. To protect, simply place a board frame a foot high around the bed and fill it with dense, nude brush. This will protect other plants as well.

Chabaud, Giant Ever-blooming, colors: Blood Red, Rosy Lilac, Salmon Rose, Flesh, Ruby Red, Scarlet, Rosy Pink, Snow White, Sulphur, Purple; separate or Mixed.

Double German Border, splendid mixture.
Early Dwarf Prague, finest mixed colors.
Enfant de Nice, choice mixture; lovely shades
Grenadin, colors: Rose, White, Scarlet, Yellow; separate or Mixed.
Giant Malmaison, extra select mixture.

Margaret Improved, colors: Dark Red, Rose, Scarlet, Yellow, Violet, White, Mixed.
Perpetual or Tree, double, mixed colors.
Riviera Market, extra large; splendid mixture
Simpson's Triumph, immense flowers; mixed.
Somerset Lady, lovely double white flowers.

CALLIRHOE Involucrata, cup-shaped; crimson.
CAMPANULA, Perennial Bellflower, excellent garden flowers of easy culture, growing in either sun or partial shade.

Alliariaefolia, cream; **Barbata**, blue; **Carpatica**, Blue, White or Mixed; **Garganica**, blue; **Glomerata Acaulis**, deep blue; **Grandis**, blue; **Lactiflora**, light blue; **Muralis**, purplish blue; **Persicifolia**, Blue, White, Mixed; **Pusilla**, azure; **Rotundifolia**, deep blue.

Medium, Canterbury Bells, these handsome biennials are easily grown from seeds, and when in bloom, are the most attractive of garden flowers. **Single**, mixed; **Double**, **Calcyanthema**, Cup and Saucer, mixed.

CENTAUREA Dealbata, graceful silvery foliage and soft pink flowers in June and July.

Gymnocarpa, rosy purple; silvery foliage.
Montana, large, violet-blue; July to Sept.

CERASTIUM Bibersteini, Snow in Summer, excellent rockery and edging plant; silvery foliage, small white daisy-like flowers.

CHAMAPEUCE Diacantha, beautiful deep lilac.

CHEIRANTHUS Allioni, the brightest of orange-colored flowers; showy in beds.

Allioni Golden Bedder, showy, golden.

Kewensis, sulphur changing to purple-violet

Linifolius, sweet-scented lilac flowers.

CINERARIA Diamond, Dusty Miller, handsome silvery foliage plant; yellow flowers.

CLEMATIS Davidiana, deliciously fragrant, blue
Coccinea, vine; pretty rosy scarlet flowers.

Jackmanii, showy, large-flowered, purple.
Paniculata, white, fragrant, great masses.
Crispa, slender vine, nodding lilac flowers.
Integrifolia, lovely lavender-blue.

COLCHICUM Autumnale, Crocus-like; mauve
CONVALLARIA Majalis, Lily of the Valley, racemes of lovely fragrant white blossoms

COREOPSIS Grandiflora, large golden yellow.

Grandiflora Double, golden flowers, long stems
CRUCIANELLA Stylosa, pretty, graceful, free-blooming, trailing perennial; rose.

DIANTHUS Allwoodii **Alpinus**, pink flowers.

Arenarius, fringed, fragrant white bloom.

Rock Species, special mixture for rockeries.

DIELYTRA Spectabilis, Bleeding Heart, graceful sprays of heart-shaped rose flowers

DIGITALIS, Foxglove. These are hardy biennials bearing showy graceful bell-shaped flowers on strong stalks from June to September. The plants are easily grown from seeds; beautiful in beds or borders.

Gloxiniaflors, White, Rose, Purple, Lilac.

Grandiflora, chrome yellow; **Ferruginea**, yellow; **Lutzii**, salmon-rose; **Monstrosa**, mixed;

Isabellina, yellow; **Purpurea**, mixed colors.

Shirley, huge flowers in the finest colors.

DORONICUM Caucasicum, golden flowers.

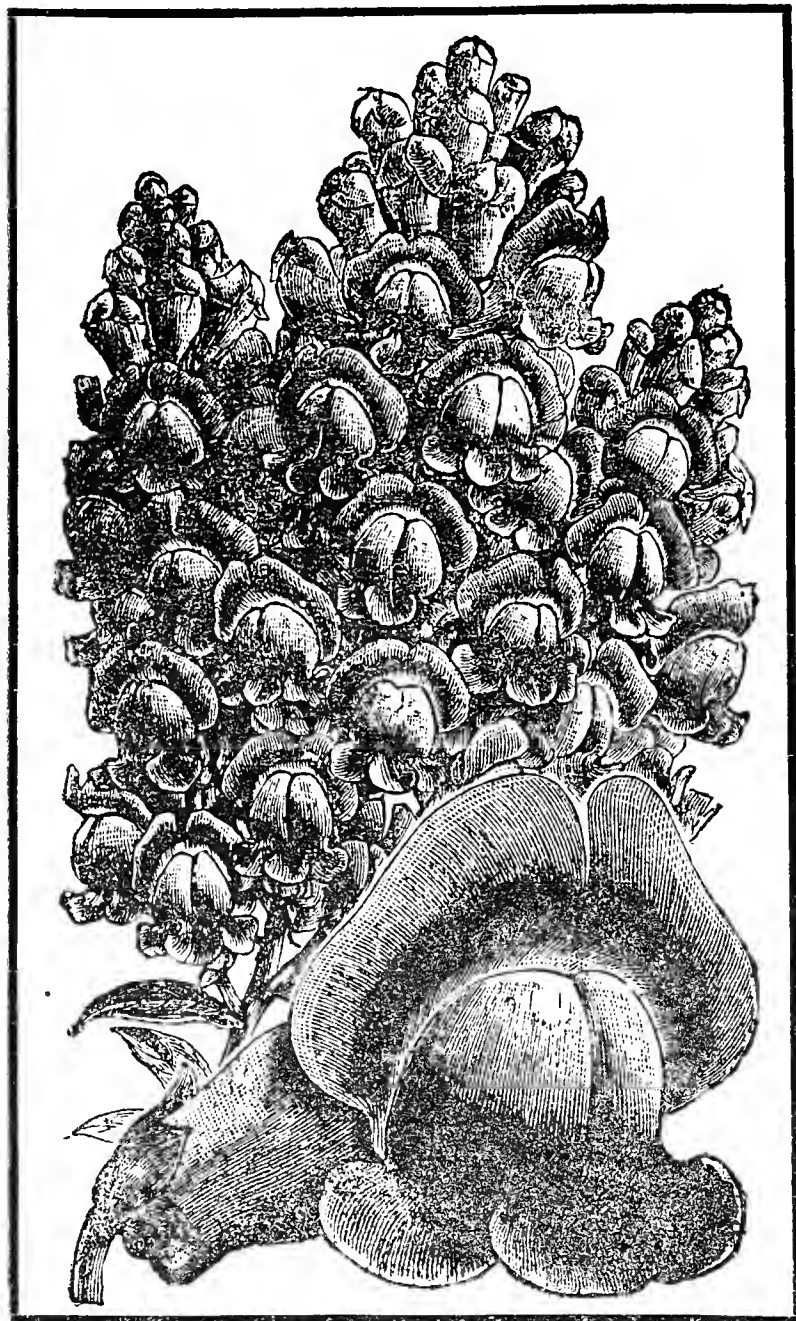

ERIGERON Speciosus Grandiflorus, daisy-like flowers, violet rays with yellow disk.

EUPHORBIA Myrsinites, large heads; yellow.

FUNKIA Coerulea, Day Lily, broad massive foliage; lovely blue flowers in summer.

ANTIRRHINUM (Snapdragon) Rust.proof

It is with confidence and pleasure that we offer our customer-friends only rust-resistant varieties in Antirrhinums. There is still work to be done in perfecting a 100 per cent rust-resistant strain; however, 75 to 90 per cent are fully resistant, and produce strong healthy free-blooming long spikes of mammoth flowers with clean green foliage. Snapdragons are becoming more popular and are gorgeous for beds and cutting.

Tall Large-flowered

- Autumn Glow.** Fine spikes of old rose suffused amber with beautiful contrasting golden lip.
Bronze King. Lovely bronze shades.
Buttercup. Canary yellow shading to creamy yellow. Large spikes; spotless green foliage.
Copper Shades. A fine blending of copper-orange to old gold shades; very free-flowering.
Crimson King. Large fiery crimson flowers upon handsome long spikes. Fine for bouquets.
Daintiness. An exquisite rose-pink with white tube, well worthy of its name.
Loveliness. Large soft rose-pink flowers well spaced upon unbranching bright green stems.
Pink Shades. A particularly harmonious selection. Large flowers from pale pink to rose.
Purple King. Dark garnet; an unusual color.
Red Cross. Outstanding garden specimen of deep crimson with contrasting glistening white tube, each plant bearing 15 to 18 fine spikes.
Salmon Beauty. Well placed large flowers of delightful salmon rose-pink shades.
Shasta. Free-flowering, shining pure white.
Torchlight. Garnet suffused orange with outstanding bright yellow lip; very attractive.
Complete Mixture of Tall Large-flowered varieties

Semi-dwarf, Large-flowered

- Garnet.** Showy rich velvety crimson.
Wildfire. Orange-scarlet with yellow lip.

University of California

An evenly balanced blend of popular colors, in all of the types from tall to dwarf; excellent.

Super Giants of California

In this splendid mixture of tall growing, long-stemmed, giant-flowered Antirrhinums is included a wide range of lovely colors, among the latest developments in rust-resistant strains. Plants are thrifty and free-blooming and sure to delight everyone who tries them. Do not miss your packet.

Super-Majestic

Super-Majestic is the result of years of careful crossing of the improved Majestic and Maximum types. The plants are base branching with tall strong stems and huge closely-placed flowers. The tallest growing, largest flowered and most beautiful Antirrhinum to date.

- Harmony Shades.** Delightfully blended shades of terra cotta and yellow suffused rose.
Orange Shades. One of the best; marvelous shades of rose heavily overlaid golden orange.
Red Shades. Flowers of deep crimson, garnet and ruby, making a brilliant display.
Rose Shades. The loveliest and richest shades

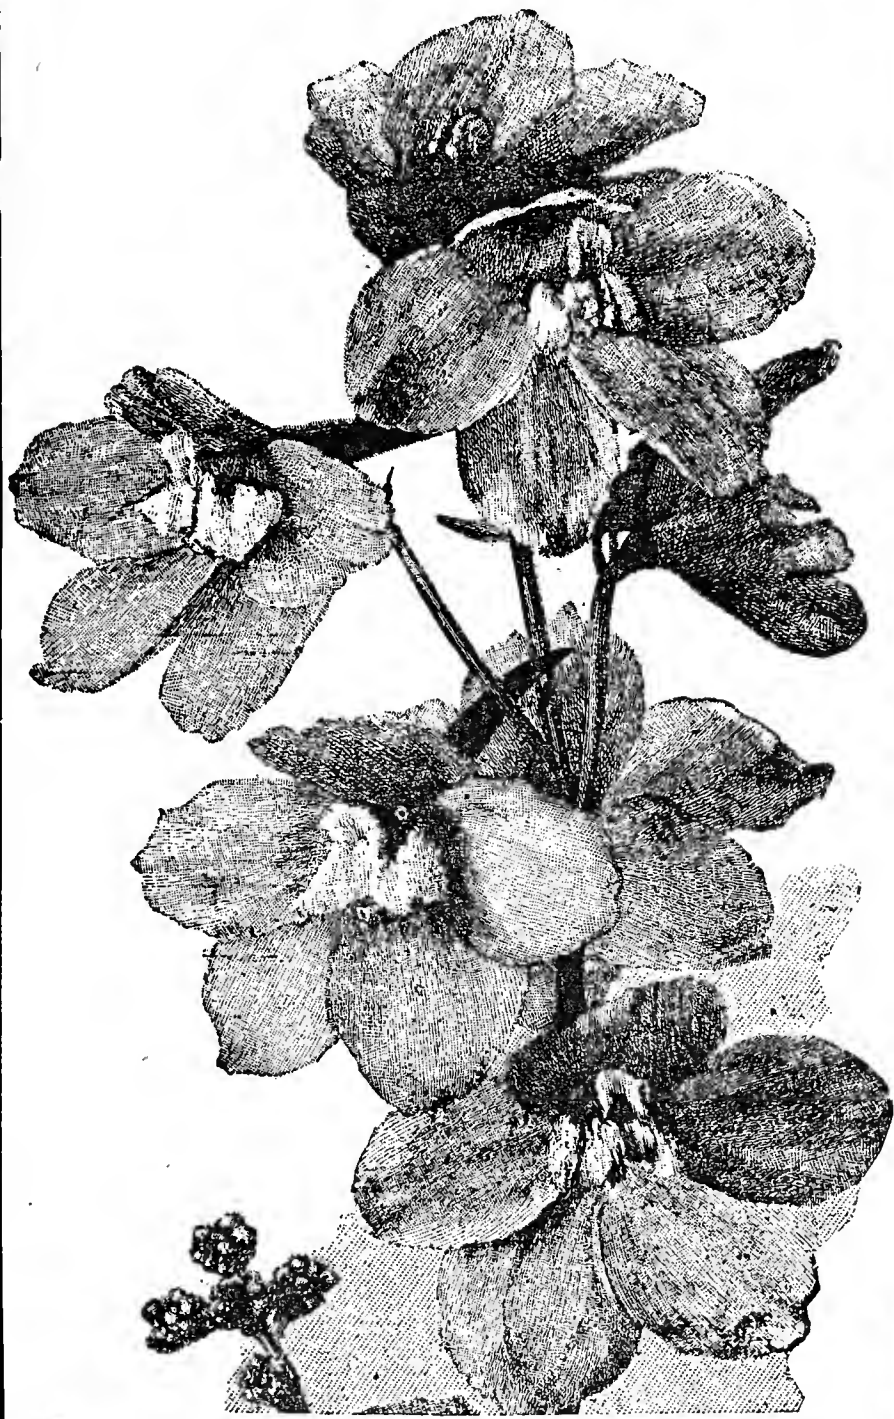

- of Begonia Rose. Extra large spikes.
Shell Pink Shades. Among the most admired of all Snapdragons. The fresh and dainty shell-pink flowers are matchless for bouquets.
Silver Pink. Extra early blooming, lovely deep pink with dainty white lower lip.
Super-Majestic in splendid mixture. Pkt. 5c.

Dear Sir: I surely do appreciate the package of Antirrhinum you sent me for a premium with my order this spring. They are now in full bloom, are sturdy, bushy plants about 18 inches tall and are one of the show spots in my garden. Everybody raves over them and their exquisite colors. Mrs. Willard A. Shiner, Prince Georges Co., Maryland, July 12, 1938.

Dear Sir: Everything I have planted from your seeds have been lovely. My Snapdragons were the finest I have ever seen, I had colors the florists did not have. They bloomed continually, have had a few blooms all winter. Mrs. Harry Barnes, Coos Co., Oregon, February 26, 1938.

Delphiniums, Latest and Best

These are among the finest of perennials. All are beautiful, hardy, and live and bloom freely for years. Prevailing colors are blue and violet with intermediate shades. The culture is very simple. Plant in good moist friable loam. With old manure mulching twice a year, the life and growth of the plants will be promoted for many years, increasing their size and beauty every season. Under the best conditions, the better Hybrid Delphiniums will attain six or seven feet in height and perhaps even more, with large flowers borne closely upon long spikes. Cropped to six inches after blooming, a new lot of stalks will soon develop and bloom. The varieties offered below are extremely valuable during the early months of summer and are very effective in the border.

Vis Brothers' Mastodon. We offer the Finest Strain of Hybrid Delphiniums known, and at the head of the list we place Vis Brothers' Mastodon. A special strain in superb mixture prepared for us and secured direct from the famous expert seedsmen, the Vis Brothers. The plants grow from 5 to 7 feet high, are hardy and stool out into several strong branching stems, each of which bears an immense spiral-like truss of huge single or double flowers. These embrace a wide range of colors from white to indigo blue, many with shadings of pink, violet, red and black in the most exquisite contrast. Cut freely and plants will bloom abundantly.

Kelway's Gold Medal. Since 1880 the famous Kelway Gardens, Langport, England, have been the workshop for Delphinium improvement. This wonderful Gold Medal mixture, so called because of the many certificates, awards and medals received, contains all of the characteristics of the modern Delphinium including three inches across the pip flowers, spire-shaped spikes, flowers spaced well apart on the tall spike with a wide range of lovely tints and shades from dark blues and purples to light and sky blue with tints of pink and delicate mauve and delightfully contrasting center markings in huge single and semi-double flowers.

Blackmore and Langdon Strain. We have been able to secure this famous strain direct from the originators. Large, double flowers, splendid mixture.

Hurst's Monarch Strain. Among the finest double-flowered Delphiniums in existence. Spikes will grow 4 ft. Flowers large, colors varied and beautiful.

Amos Perry. Semi-double, mid blue, black eye.
Barlowii, 4 ft. Large-flowered, navy blue.
Belladonna, 3 ft. Lovely light blue shades.
Bellamosum, 5 ft. Beautiful dark blue.
Cardinale. Fine large flowers, brilliant scarlet with peach-red interior.
Cleveden Beauty. Lovely light blue. The finest strain of Belladonna on the market.
Fannie Stormouth, 3 ft. Large, azure blue.
Iceburg, 4 ft. A perennial that should be in every garden, plants branching, each branch bearing a huge spike of exquisite white flowers.
King of Delphiniums. Beautiful rich deep blue with a clear white center, very choice.

Nora Ferguson. A choice new variety, beautiful pale blue with lovely pink shadings.
Prince Charming. Lovely semi-double lilac-pink with black eye, a handsome variety.
Queen of July. Clear pink edged sky blue.
Summer Cloud. Wrexham strain, pure white.
The Shah. Beautiful rosy-lavender, semi-double.
Wrexham, Hollyhock Strain, 6 ft. These are the greatest advance in Delphiniums. Their graceful spire-shaped spikes are readily bringing them to the front as the most popular flower for cutting or the garden. Mixed colors.
Zalil (Sulphureum), 6 ft. Fine yellow: sow early in spring or fall; a charming variety.

Gaillardia Grandiflora "Blanket Flower"

These are perfectly hardy plants of easy culture, doing well in any soil and producing quantities of large flowers of the most brilliant colors throughout summer. They are excellent for beds or borders and are invaluable for cutting.

Bremen, fine long stems; beautiful flowers of a rich coppery-scarlet with yellow tip.

Burgundy, lovely wine-red flowers on long stiff stems, from June until fall, one of the finest.

Dazzler, pure golden yellow with large red center.

Goblin, the first really dwarf compact variety, especially suited for the rockery. The neat plants are closely covered with large showy yellow flowers with a deep red border.

Oculata, beautiful light shades with showy brown center; very choice.

Portola Hybrids, compact plants; long-stemmed flowers; finest rich colors.

Sanguinea, dark blood-red tipped golden yellow; neat upright growth.

Tangerine, large tangerine-orange flowers; compact grower; beautiful.

Torchlight, handsome golden yellow with large maroon center, often five inches across.

Kelway's Exhibition, the finest known strain, flowers of enormous size, variety of colors.

GEUM Lady Stratheden, rich golden yellow.

Mrs. Bradshaw, brilliant orange-scarlet.

GYPSOPHILA Acutifolia, lovely pale pink.

Oldhamiana, autumn-flowering; rose-pink.

Paniculata, Baby's Breath, pure white; fine.

HELIANTHEMUM Mutabile, evergreen; rose.

HELIOPSIS Lemoine's Giant, double; yellow.

HEMEROCALLIS Betscher's Hybrids, yellow.

HESPERIS Matronalis, Purple, White, Mixed.

HEUCHERA Sanguinea, Coral Bells, coral red.

HIBISCUS Mallow Marvels, mixed colors.

HOLLYHOCK. For splendid long-flowering decorative plants, the majestic Hollyhock holds a high place in the garden. The plants are readily started from seeds, which may be sown in early fall, grow 5 to 8 ft. high and are unequalled for forming backgrounds for other flowers.

Benary's Prize Double, White, Sulphur, Golden Yellow, Rose, Scarlet, Crimson, Apricot, Peach; separate or Mixed.

Exquisite, large, double, fringed, mixed.

Imperator, double, frilled, prettiest shades.

Mammoth Allegheny, single and semi-double.

Newport Pink, delightful double pink flowers.

Single Mixed, wide range of fine colors.

IBERIS Sempervirens, heads of white flowers.

Jucunda, dwarf; pink; bluish green foliage.

INCARVILLEA Delavayi, large, rosy purple.

IRIS Germanica, rich colors; splendid mixture.

Kaempferia, pride of the garden, mixed.

Ochroleuca, exquisite, white and yellow.

KNIPHOFIA Uvaria Grandiflora, orange-red.

LATHYRUS Latifolius, Red, Rose, White, Pink.

LEUCANTHEMUM The Prince, pure white.

LIATRIS Pycnostachya, brilliant rosy purple.

LILIUM Regale, ivory white shaded pink.

Humboldtii, deep golden spotted red.

Martagon, purplish rose spotted black.

LINUM Perenne, Fairy Flax, Blue also White.

LOBELIA Cardinalis, bright scarlet spikes.

LUNARIA Biennis, Moon Seed, phlox-like flowers. White, Crimson, Purple, Mixed.

LUPINUS Polyphyllus. These beautiful easily-grown perennials grow from 2 to 5 feet high, branch, and bear freely spikes of lovely flowers in rich and varied colors. They like well-drained acid soil and do better when planted in groups. Do not like transplanting.

Atro-violaceus, deep violet-blue; **Chocolate Soldier**, yellow; **Douglasi Superbus**, rosy purple; **Fire King**, red; **Gold Crest**, yellow; **Harkness Hybrids**, art shades; **Moerheimi**, pink; **Princess Juliana**, shell pink; **Salmon-eus**, salmon shades; **Snow Queen**, white; **Sunshine**, deep yellow; separate or mixed.

MALVA Moschata, showy large clusters of fragrant flowers. Rose, White, Mixed.

MECONOPSIS Baileyi, sky blue, golden anthers.

MONARDA Hybrida, fragrant foliage; mixed.

MYOSOTIS Holiday Blue, extra large, blue.

NEPETA Mussini Superba, deep blue flowers.

OSTROWSKIA Magnifica, pale blue flowers.

Pyrethrum Roseum

"Painted Daisy"

The beautiful single and double Pyrethrum is a hardy perennial blooming in May and June. The plants are readily propagated from seeds, grow eighteen to twenty-four inches high, bearing the flowers at the summit of long stiff stems. The colors are in lovely variations from white to crimson and are showy in the garden as well as for handsome bouquets. The cut-leaved foliage is as attractive and graceful as that of a fern. Sow the seeds in a well prepared bed and transplant to eight inches apart. Cultivate well, and as summer approaches, mulch with stable litter to promote the beauty and continuous blooming of the flowers. If plants are cut back when first crop of bloom fades, new shoots will spring up and produce a second flowering.

Vis Brothers Double, finest mixed.

Vis Brothers Single, splendid mixture.

James Kelway, bright vermillion red with golden center; very showy.

Park's Rose, also **Park's White**.

Complete Mixture, single and double.

PARDANTHUS Sinensis, Blackberry Lily, star-shaped reddish orange spotted flowers.

PENTSTEMON Sensation, long spikes; mixed.

PHLOX Perennial New Hybrids, among our finest perennials, succeeding in any soil and position and bearing large showy flowers of the most beautiful shades; starts tardy.

PINKS, Hardy Garden, clove-scented, mixed.

POLEMONIUM Coeruleum, Blue, White, Mixed.

SCABIOSA Caucasica, showy heads; excellent for cutting. Blue, White or Mixed.

Japonica, beautiful, lavender, long stems.

STOKESIA Cyanea, rich blue; July to October.

SWEET WILLIAM, Dianthus Barbatus, these are favorite garden flowers, being showy, fragrant, and long-blooming. They start readily from seeds, and thrive in any soil or sunny situation. Finest mixed colors.

THERMOPSIS Carolina, showy plants; yellow flowers in long spikes; June and July.

TROLLIUS Europaeus, Buttercup-like yellow flowers from May to August; beautiful.

Ledebouri Golden Queen, vivid deep orange.

SAPONARIA Ocymoides Splendens, an elegant trailing perennial with showy rose flowers.

VIOLA Cornuta. These are admirably adapted for the rockery, beds and borders, as they come in bright colors, are very free-blooming; thrive in partial shade and have no enemies.

Admiration, purple; **Jersey Gem**, violet-blue; **Chantreyland**, apricot; **Haslemere**, lilac-pink;

Lutea, yellow; **Puck**, violet and yellow; **Rose Queen**, rosy lilac; **Thuringia**, rich blue; **White Perfection**, white; separate or mixed.

Tufted Pansies, valuable for beds, handsome.

Apricot, tinged orange; **Ardwell Gem**, yellow;

Arkwright Ruby, ruby crimson; **Black Prince**,

velvety black; **David Simpson**, lavender;

Firmament, sky blue; **Nora Marrow**, rosy

lavender; **Purple King**, rich purple; **Snow-**

den, pure white; separate or mixed.

Odorata, the well-known hardy sweet-scented English Violet, thriving best in semi-shade; germinates tardily.

Queen Charlotte, dark blue; **Rose Pearl**, rose;

The Czar, white; separate or mixed.

WAHLENBERGIA, Platycodon. One of the best hardy perennials, producing very showy flowers throughout summer. They form large clumps and are excellent for planting in the permanent border or among shrubbery. The plants are tenacious, and once started will last for years.

Grandiflora, Blue, White or Mixed.

Mariesi, dwarf, Blue, White or Mixed.

WALLFLOWER, these are easily grown from seeds, and in a mild climate will bloom freely during winter. The flowers are large, of many colors, and richly perfumed.

Eastern Queen, salmon red; **Golden Monarch**,

yellow; **Kelway's Langport**, deep red; **Rosy**

Gem, bright rose; **Surprise**, purple; **Vulcan**,

White Dame, cream; separate or mixed.

PANSIES, Largest and Finest

These are so well and favorably known that a description of their exquisite beauty and usefulness in the garden is unnecessary. They are simply indispensable, and if we were to select a half dozen of our best seedling flowers the Pansy would be one of them. There is, however, much difference in the strains, some being greatly superior in the vigor and free-flowering quality to other plants, as well as the great size, form, variety and richness of colors and variations. We are pleased to say that the seeds we offer are from Pansy specialists, all of new crop, and cannot be surpassed in quality.

Engelmann's Giant. A distinct and superior Scottish show type of Pansy that should be found in every garden. The plants are thrifty and luxuriant and the handsome long-stemmed flowers begin to bloom early, and if kept plucked, the bed will form a glorious display of marvelous perfection in flowers ranging from the deep bronze, golden, purple and reddish shades to the exquisite blues, yellows, and creams, blotched and marked to perfection. Originator's seeds. Pkt. 5c., 1-32 oz. 50 c.

Vis' Super-Giant. This is the last word in Pansy improvement, largest flowers, longest stems, greatest variety in colors and variations, most compact and free-blooming plants and surpassing all others in many elements that go to produce a perfect strain. Pkt. 5c., 1-32 oz. 50 c.

Giant Mastodon. Enormous flowers of richest colors; saved from selected plants only.

Mette's Triumph of the Giants. A highly developed strain; mixture of all rich colors.

American Beauty Blend. This is the finest blend of Pansies that can be made. It contains seeds of only the best giant-flowered varieties, and includes all the richest colors.

Ruffled Masterpiece. A most striking, huge, ruffled and frilled Pansy. This mixture contains a wonderful assortment of dark shades.

Giant Maple Leaf. Compact plants with super size foliage and flowers averaging 4 in. across in lovely bright colors including rich, velvety, dark colors, typical of Pansies.

Maple-leaved Velvet Jewel. The largest Pansy in existence, true velvety purple.

Benary's Exhibition. Finest of blotched Pansies, huge frilled blooms, richest varied colors.

Cassier's Giant Blotched. Largest-flowered class of blotched Pansies; from choice plants.

Oregon Giants. A popular large-flowered variety in fine mixture; good color range.

Bedding Mixture. Choice mixture of all colors; for beds. Packet 5 cents, 1-4 oz. 20 cents.

GIANT-FLOWERED VARIETIES

Adonis. Beautiful light blue with white center.

Apollo. Ruffled; bronze with dark spots.

Apricot. Self-colored, new, very attractive.

Dark Blood Red. Fringed; one of the finest.

Emperor Fredrick. Rich purple shaded gold.

Gold King. Golden yellow with big dark eye.

King of the Blacks. Coal-black; very showy.

Madame Perret. Many shades of red on white.

Peacock. Blue with white edge; very beautiful.

Quadricolor. Blue, red and white with clear edge.

Vulcan. Large, brilliant dark red; 5-blotched.

Complete Mixture of Giant-flowered varieties.

ROGGLI'S NEW SWISS GIANTS

Roggli's Swiss Giants are the most popular of Giant Pansies. They are always enthusiastically admired for their exquisite colors and huge size. We especially recommend our mixture, also separate colors.

Alpenglow. Cardinal shades; giant flowers.

Berna. Deep velvety blue; very attractive.

Lake of Thun. Blue with blue black blotches.

Mrs. Colijn. Lovely color combination varying between ruby and wine shades.

Ophir. Deep golden yellow with large blotches.

Silverbride. Large, long-stemmed exquisite silver-white flowers beautifully blotched.

Yellow Master. A frilled beauty of pure yellow.

Mixture of Roggli Pansies. Pkt. 5 c., 1-32 oz. 50 c.

GIANT WINTER-BLOOMING VARIETIES

Celestial Queen. Large, beautiful sky blue.

Ice King. Silvery white with dark blue eye.

March Beauty. Velvety dark blue, superb.

Mars. Rich ultramarine blue with dark eye.

Winter Sun. Golden yellow with dark eye.

Complete Mixture all varieties 5c., 1-16 oz. 15c.

PAPAYER ORIENTALIS, Oriental Poppy

The Improved Hybrids of Oriental Poppies are of the largest and most attractive of garden perennials. The long fringed leaves are not unlike Fern leaves, and the showy buds that

PAPAYER ORIENTALIS, Oriental Poppy

issue from the ground on strong stems from two to three feet high develop into enormous cup-shaped flowers, brilliant in color and graceful in form. Once started will last for years.

Apricot Queen, 3 ft. Large showy apricot flowers; fine.

Beauty of Livermere, 3 ft. Gorgeous crimson with black blotch.

Benary's Large-flowered German Hybrids, 3 ft. All the lovely rare shades in splendid mixture.

Brilliant, 3 ft. Vivid fiery-red; fine.

Excelsior Hybrids, 4 ft. New, a very fine mixture ranging from delicate salmon to deep crimson.

Mrs. Perry, 3 ft. Orange-apricot, rare.

Pink Beauty, 30 in. Delicate flesh pink.

Princess Victoria Louise, 2 ft. Flowers rather small, resembling large tulips, perfect form; salmon-pink.

Queen Alexandra, 3 ft. Beautiful rosy-salmon with crimson spots.

Salmon Queen, 3 ft. Lovely salmon-yellow; very attractive.

Complete Special Mixture of Oriental Poppies. Packet only 5 ¢.

PAPAYER Alpinum, 6 in. Charming little plant for rockery. Plain and fringed flowers in many colors; very free-flowering.

PAPAYER Pilosum. Long and abundant blooming. The bright salmon blossoms and airy foliage present a very striking effect.

Iceland or Nudicaule Poppies

Here is a new race of perennial Poppies that should be in every garden. They are of neat habit, growing about 18 in. high and bear on strong stems large showy fragrant flowers from early May until October, if not allowed to seed. The flowers are excellent for cutting and should be picked while in bud. Seeds sown in fall will come up and bloom in spring, remain green over winter and give service for years. Don't fail to include these in your order.

El Monte, deep tangerine orange; admirable.

Fakenham Hybrids, wonderful range of colors.

Gartref Strain, delicate art shades; lovely.

My Lady Duchess, large orange-red; choice.

New Sunbeam, lovely tints as maize, cream, and various shades of rose.

The Emperor, showy orange, fluted petals.

The Empress, shades of salmon, rose and pink.

The Prince, delicate pink shades; excellent.

The Princess, mammoth pure white.

Yellow Wonder, longest-stemmed, largest-flowered, clear yellow Iceland Poppy to date.

PRIMULA, Hardy Garden Primrose

The hardy Primroses are splendid perennials, blooming during spring. The flowers are clustered, are charming in texture, varied and rich in color and always make a fine display in the garden. The plants are easily raised from seeds, although these are often tardy in germination, even when sown as soon as seeds are ripe.

Acaulis Grandiflora, 6 in, mixed colors.

Anisodora, 18 in, beautiful rich crimson.

Beesiana, 1 ft, velvety purple, gold eye.

Cashmeriana, 1 ft, showy lilac umbels.

Cockburneana, 18 in, orange-scarlet.

Farinosa, 6 in, light purple, gold eye.

Helodoxa, 3 ft, spikes of golden flowers.

Japonica, 2 ft, white to crimson spikes.

Rosea Grandiflora, 6 in, rose, gold eye.

Veitchi, 18 in, deep rose flowers; fine.

Veris Grandiflora, 1 ft, mixed colors:

Munstead Strain, largest, finest, mixed.

Vulgaris, 6 in, true yellow Primrose.

Complete Mixture of hardy Primroses.

Choice FOR Window

Seeds THE Garden

It is hardly necessary to say that there is much pleasure as well as economy in growing pot plants for the Window Garden from seeds. Potted plants are very attractive in the house during the winter months when flowers are scarce. We recommend the varieties listed below and feel sure that all who try them will be more than pleased. Cultural directions will be sent with each order. All seeds 5¢ per pkt., 22 pkts. \$1.00, 50 pkts. \$2.00, 77 pkts. \$3.00.

AGATHAEA Amelloides, Paris Daisy. A lovely winter-blooming plant with blue Daisy-like flowers; fine table decoration.

ASPARAGUS Sprengeri, Emerald Feather. Showy green foliage; drooping; fine.

Plumosus Nanus, elegant plummy foliage.

Plumosus Robustus, lace-like foliage.

BALSAM Camellia-flowered. Plants grow 2 ft. high, branch symmetrically, and become little trees covered with elegant bloom. Their beauty, attractiveness, free and continuous blooming and easy culture commend them to everyone who loves flowers, and they well deserve their popularity. Colors: White, Crimson, Lilac, Scarlet Spotted, Salmon Rose, Violet Spotted, separate or Mixed.

BEGONIA Gracilis, graceful free and ever-blooming pot plants for winter; mixed.

Luminosa, bronze foliage; scarlet flowers.

Gloire Louveciennes, white flushed rose.

Semperflorens, compact plants covered with showy flowers which droop gracefully in large panicles, mixed colors.

Glory of Erfurt, crimson-red flowers.

Rosea, lovely deep rose pink; fine.

Tuberous-rooted, large flowers often 6 in. across, colors ranging from white to crimson, bronze, orange and rose.

Double-flowered, finest mixed colors.

Single-flowered, rich and varied colors.

Fringed, unsurpassed strain; mixed.

Lloydii Pendula fl. pl., for hanging baskets and pots; showy double flowers in a wide range of lovely colors.

BROWALLIA Speciosa, flowers large, not unlike a Petunia; almost continuously in bloom. Blue, White or Mixed.

CACTUS, a splendid mixture containing many fine species and varieties.

CALCEOLARIA. These are of easy culture from seeds and a windowful of the flowering plants is a sight of surpassing beauty. The unique pocket-like flowers are entirely different in form from any other flower and the colors range from yellow to pink and red, some being spotted.

Clibrari Profusa, small golden flowers.

Grandiflora Tigrina, tigred and spotted.

Kelway's Perfect Model, finest strain of large-flowered Calceolaria in existence.

New Dwarf Compact, lovely clusters of many colors, selfs and spotted; excellent.

Rosea Grandiflora, beautiful rose flowers.
Sunbeam, yellow blotched brown.

CINERARIA. These improved large-flowered Cinerarias are magnificent plants for the house or conservatory. The plants are of neat habit, the foliage large and attractive; the flowers are of velvet-like texture, in every color of the rainbow, and cover the plant with a sheet of bloom.

Benary's Superb Strain, finest mixture.

Kelway's Perfect Model, graceful plants with large flowers of the most wonderful colors; saved from selected plants.

Kelway's Stellata, star-shaped flowers.

Vilmorin's French, in the following fine colors: Antique Rose, Glowing Scarlet, Royal Blue, Striped, White, and Mixed.

CORDYLINE Australis, elegant pot plant, leaves long, handsomely striped; lovely sweet-scented white flowers in panicles.

CYCLAMEN. These are beautiful plants for the window in winter, the exquisite flowers being of many colors and produced in great abundance for many weeks. Seeds show plantlets in about 4 weeks, and plants come into bloom in 18 months. Every seed as a rule, will produce a plant. The foliage is often as beautifully marked as a Begonia.

Persicum Giganteum, giant flowers; colors: Bright Rose, Pure White, White with red eye, Salmon Rose, Carmine Red, separate 10 seeds. Mixed 12 seeds.

Grandiflorum, large-flowered; finest mixed

DRACAENA Indivisa, beautiful ornamental foliage plant, very useful for house decorations; finest mixed colors.

FREESIAS. These are easily grown from seeds and bloom in 5 months. The richly-scented flowers come in a wide range of colors and are produced very freely on long strong stems, lasting well when cut.

Hybrida, remarkable fine mixture.

Ragioneri, beautiful large flowers; mixed.

Tubergenii, largest size; finest colors.

GERBERA. Fine pot plant, blooming for weeks; flowers Aster-like, on long stems. Fine for table decorations, also for cutting.

Jamesonii, Barberton Daisy, scarlet.

Adnet's Giant, Transvaal Daisy, showy rich colors ranging from white to orange and from flesh to crimson.

GREVILLEA Robusta, splendid decorative plant, much quicker growing than a Palm; very effective with its long drooping foliage, deeply cut like a Fern.

KALANCHOE Globulifera Coccinea, the most brilliant and valuable Kalanchoe to date. These lovely succulents are easily propagated, are free and long-blooming, and a pot of these gorgeous plants with their showy scarlet flowers is always enthusiastically admired.

HELIOTROPE. These are general favorites due to their easy culture and delicious vanilla-like fragrance. The flowers are small but come in large clusters from white to royal blue.

Lemoines Giant, extra choice mixture.

Madame Bruant, deep lilac; splendid.

Peruviana, showy light blue flowers.

Queen Marguerite, rich deep blue.

White Lady, large clusters; pure white.

MIMOSA Pudica, prostrate plant with pretty pinnate foliage which droop when touched; charming pink globular flowers.

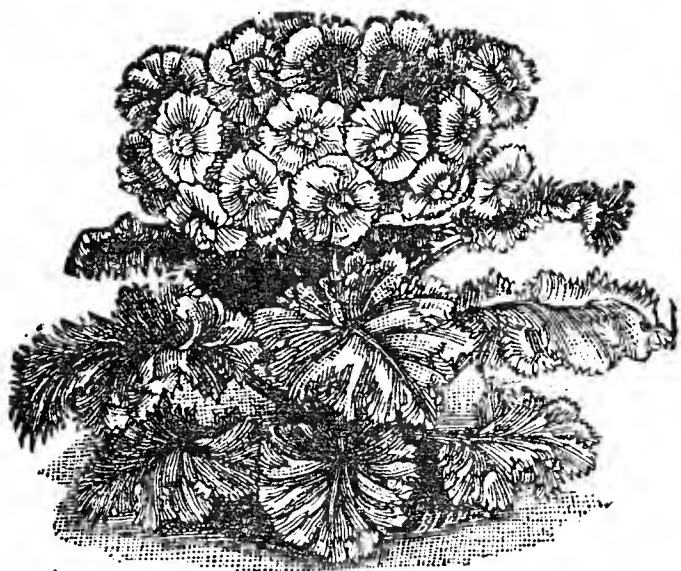

PRIMULA or Primrose. These half hardy Primroses are among the most easily grown, showy and beautiful of window plants and deserve a place in every home. The plants are readily grown from seeds, thrive under ordinary care and come into bloom in a few months after they are started. We offer the finest quality of seeds and send cultural directions with every order.

Chinese Giant Fringed, huge flowers:

Coccinea, glittering red; **Coerulea**, light blue; **Emperor**, copper-red; **Empress**, reddish magenta; **Exquisite**, pale pink; **Kermesina**, crimson; **Lady Randolph Churchill**, pure white; **Marquis**

PRIMULA OBCONICA NEW GIANT-FLOWERED

CHINESE PRIMROSE GIANT FRINGED

of Lorne, bright rose; **Soleil de' Em-pel**, white with gold eye; also Mixed.

Chinese Choice Fringed, finest mixture.

Chinese Star Sorts, these bloom more freely than the Giant Fringed, embrace as many colors, and are more easily cared for. They will succeed under adverse conditions and are as attractive as the Giant Primroses, and more satisfactory.

Celestial, porcelain blue; **Coral**, creamy-pink; **Harlequin**, light rose; **King of the Blues**, rich deep blue; **Ruby Star**, dark blood red; **The Bride**, pure white; **Vesuvius**, brilliant red; also Mixed.

Chinese Double, showy; mixed colors. **Floribunda Grandiflora**, an improved variety bearing beautiful golden flowers.

Forbesi, **Baby Primrose**, graceful lilac flowers in abundant clusters; fine.

Kewensis, splendid foliage; golden flowers.

Malacoides, a lovely Primrose that starts readily from seeds. The flowers are not large, but are produced in compound whorls; showy and beautiful. Colors: **Fraicheur**, light lilac; **Gaiety**, dark red; **Snowflake**, pure white; **Superba Rosea**, rose; separate or Mixed.

Obconica, **New Giant-flowered**, these start readily from seeds, and bloom for weeks, eliciting the admiration and praise of all beholders. Colors: Apple Blossom, Blood Red, Blue, Deep Rose, Lilac, Pure White, Salmon Queen; separate or Mixed.

SAINTPAULIA Ionanthe, African Violet, charming little plants producing clusters of lovely rich blue flowers an inch across; requires care in starting.

STREPTOCARPUS Hybrids, easily grown from seeds; the flowers are 2 in. or more long and show all the leading colors from white to blue and crimson.

SWAINSONIA Grandiflora, lovely free-flowering winter-blooming plant producing racemes of large white, pink and red flowers, very useful for bouquets.

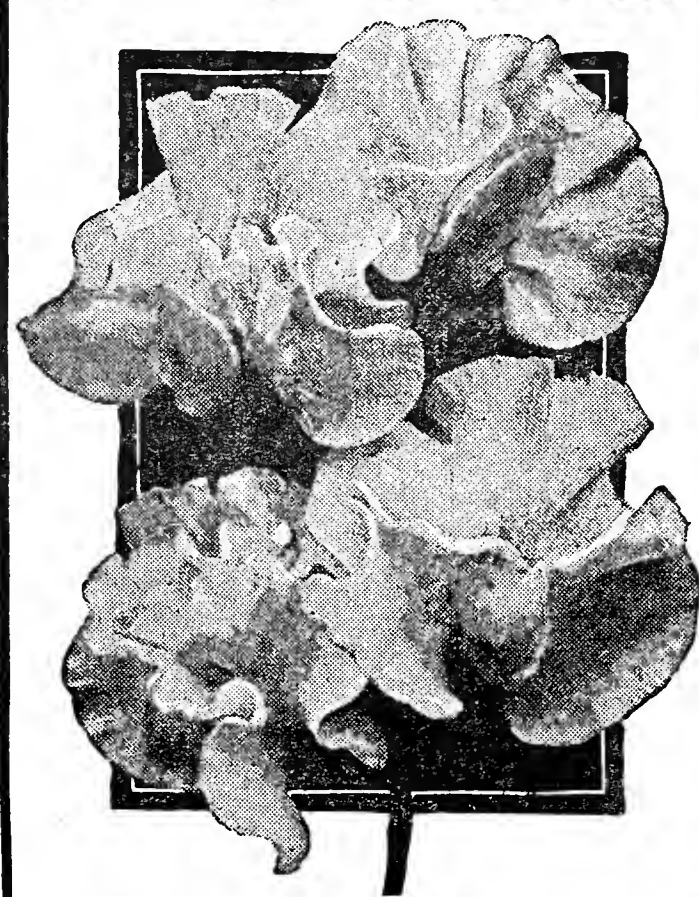

SWEET PEAS, Newest and Finest

The Sweet Pea has all the good qualities of a perfect annual for general cultivation. It is of easy culture, growing in almost any soil or sunny situation, begins to bloom when small, and if freely cut the flowers will continue to develop for a long period. The flowers are of charming shape, rich and varied in color, delicate in texture, deliciously fragrant and borne freely on long stems; unsurpassed for cutting.

CHRISTMAS SPENCER (EARLY-FLOWERING)

American Beauty. Rich crimson rose.

GLORIOUS NOVELTY

ABSOLUTELY THE FINEST LUPINUS TO DATE. The strong growing cut-leaved foliage plants bear exceptionally long spikes of extra large, closely spaced flowers in a great variety of rich colors never before achieved in Lupinus: deep yellows, oranges, reds, and brilliant bicolors. Not only has this wonderful flower received the highest recognition abroad, but has met with an enthusiastic reception in America. The originator, Mr. G. Russell, has also been honored by the Royal Horticultural Society. Sow in fall for sturdy plants next spring. 2 seeds 5c - 12 seeds 25c.

LUPINUS RUSSELL'S HYBRIDS
GOLD MEDAL WINNER (Originators Seed)

Gentlemen: The package of Russell's Lupins that I ordered earlier are all up, and getting their third leaves. I have 12 plants from the 12 seeds, so I want more, now that I have been so successful.

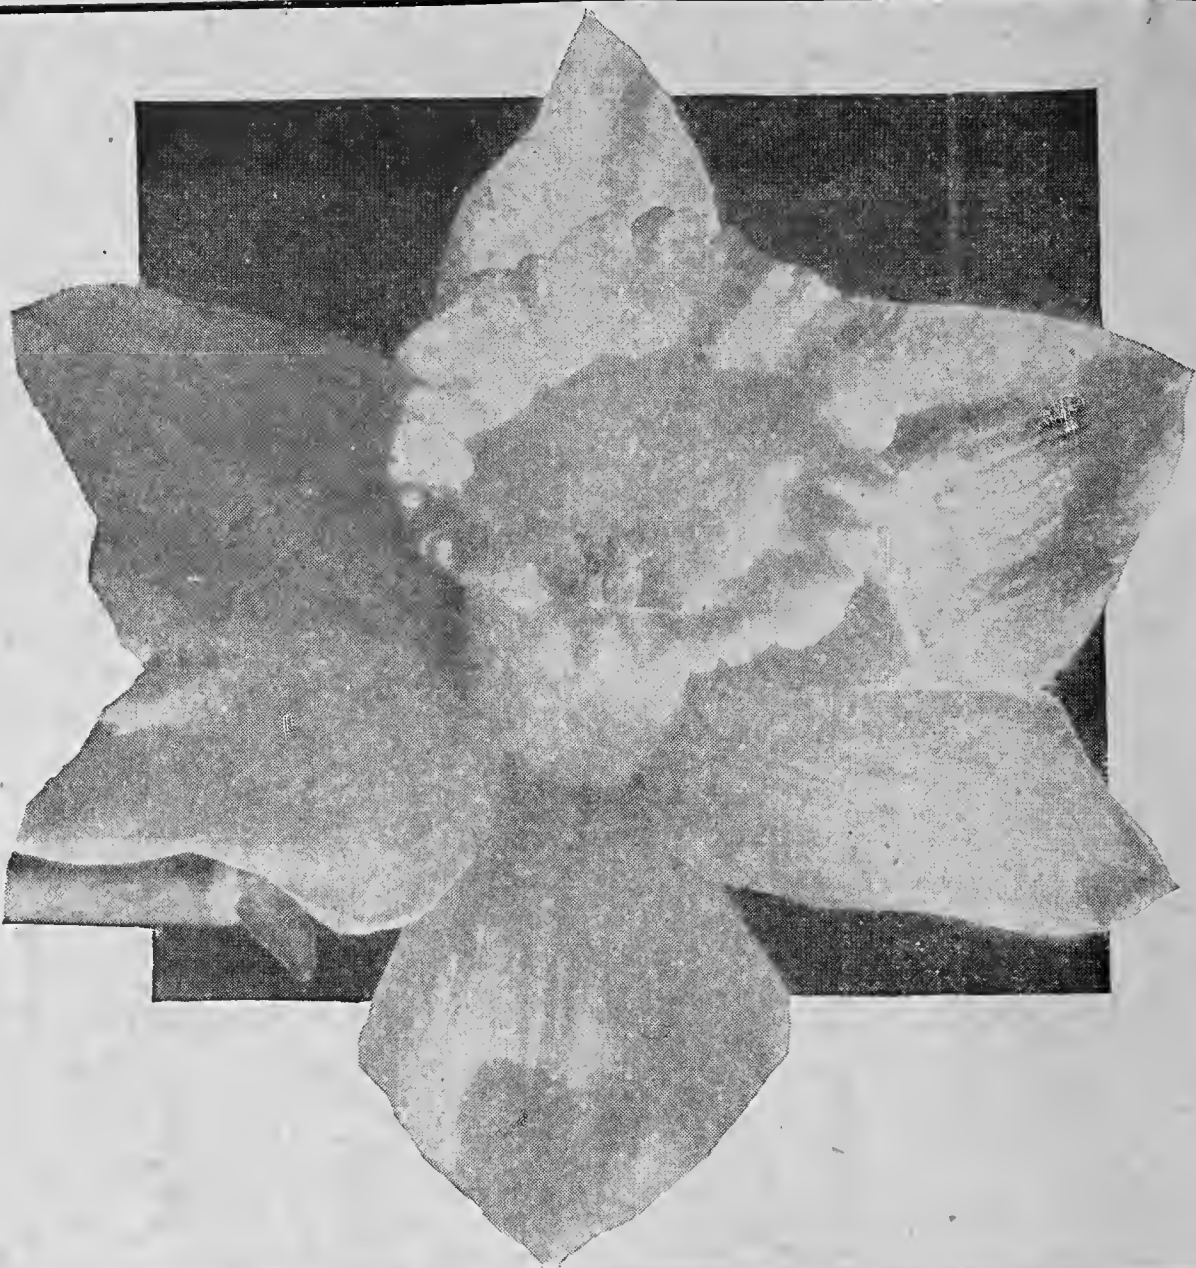

Mrs. O. F. Toepfner
June 15, 1938 Bay Co., Mich.

Dear Sirs: Ten of the twelve Russell's Lupins seeds received from you are up. I think this a good average, and am ordering more. Mrs. J. Thoroughgood
June 12, 1938 Wicomico Co., Md.

Dear Sirs: Inclosed is a new order for seeds. Please let me express my appreciation for the beautiful flowers obtained from your seeds. My garden has been greatly admired by many people and they always ask where I obtained seeds. It is my ambition to add to my garden from year to year, and you may be sure the seeds shall be purchased from you.

Mrs. H. M. Hughes
June 18, 1938 Erie Co., Pa.

Special Note: Save and use the large 1938 edition of "Park's Flower Book" for anything desired which is not listed in this supplement.

NARCISSUS
MRS. E. H. KRELAGE
